## **Bookstagram Picks This Week:**

**The Barefoot Bookshop on the Beach** Rebecca Raisin, 2026-03-07 A wildly romantic escapist summer romantic comedy perfect for fans of Sarah Morgan and Eliza J Scott guaranteed to make you feel like you're on vacation already We need a bookseller for the Barefoot Bookshop on the Beach apply here When Harper sees an ad for what must surely be the most idyllic job in the world she's almost tempted But she can't possibly leave her bookshop job in London or her burgeoning career as a successful Bookstagram influencer That is until a casual remark about a debut author lands her in deep trouble So she applies After all now she's got nothing to lose Except maybe her heart she realises as she lands on the beautiful island of Soper in the Seychelles and finds herself seemingly surrounded by beautiful men Including the hotel owner moody but heartbreakingly handsome Xavier But inter staff relations are strictly forbidden And Harper has enough on her plate with a member of staff missing and a wily band of expats to contend with Plus she's determined to make the bookshop and new start the success they deserve to be Even if under the blazing sunshine the romance novel superfan in her can't help but hope the boss of the hotel might not be quite the grump he seems The most romantic story you'll read this year with an unforgettable cast of characters that includes a giant tortoise living in a bookshop Don't miss it Available now Praise for Rebecca Raisin Once I started reading I was completely swept away A perfect summer escape Reader Review Ahhh I absolutely loved this book Made me laugh warmed my heart Fabulous NetGalley reviewer I really want to go on this trip I love how Rebecca brings you to the heart of the characters in this book and the positivity and joy I get from reading her stories Reader Review This book made my heart very happy An absolute warm hug in book form NetGalley reviewer I have no idea how Rebecca Raisin does it but she keeps writing enchanting heart warming stories that you never want to end I would suggest curling up on the sofa with a glass of something and some chocolate the French food descriptions will make you hungry and just escape into this wonderful story Reader Review This book was just adorable Loved the storyline Brilliant quirky characters that you could not help fall in love with what more could you want Reader Review Oh how I loved this book Really lively and vibrant and so engaging I really didn't want to put the book down and read it in less than a day I was fully invested Reader Review

**Reading Bestsellers** Danielle Fuller, DeNel Rehberg Sedo, 2023-04-27 Readers are essential agents in the production of bestsellers but bestsellers are not essential to readers' leisure pursuits The starting point in this Element is readers' opinions about and their uses of bestselling fiction in English Readers' relationships with bestsellers bring into view their practices of book selection and their navigation of book recommendation culture Based on three years of original research 2019-2021 including a quantitative survey with readers interviews with social media influencers and qualitative work with international Gen Z readers in a private Instagram chat space the authors highlight three core actions contemporary multimodal readers make choosing connecting and responding in a transmedia era where on and offline media practices co-exist The contemporary multimodal reader or the MMR3 they argue illustrates the pervasiveness of recommendation culture reliance

on trusted others and an ethic of responsiveness
