Common Core in Action Deborah J. Jesseman,2015-06-19 This book addresses Common Core State Standard curriculum
resources to assist the school librarian in collaborating with classroom teachers Librarians are being asked to understand the
Common Core State Standards CCSS and their implications to programming and instruction as well as to collection
development planning Using lesson plans originally published in *School Library Monthly* this title builds upon them adding
many additional plans that address CCSS issues The plans will help you implement the standards and can also be used as
stepping stones to facilitate planning conversations and collaboration with teachers to co teach lessons correlated with the
standards The book begins with an overview of the CCSS what they are how are they different from the content standards
and what the implications are for schools where the state has adopted them including what the CCSS mean for collection
development It then goes on to explore the opportunities the CCSS present for the school librarian looking at how you can
become a leader in employing the process The majority of the book is devoted to reproducible lesson plans organized by
