The Return of History Jennifer Welsh, 2016-09-17 In the 2016 CBC Massey Lectures former Special Advisor to the UN Secretary General and international relations specialist Jennifer Welsh delivers a timely intelligent and fascinating analysis of twenty first century geopolitics In 1989 as the Berlin Wall crumbled and the Cold War dissipated the American political commentator Francis Fukuyama wrote a famous essay entitled The End of History which argued that the demise of confrontation between Communism and capitalism and the expansion of Western liberal democracy signalled the endpoint of humanity's sociocultural and political evolution and the path toward a more peaceful world But a quarter of a century after Fukuyama's bold prediction history has returned arbitrary executions attempts to annihilate ethnic and religious minorities the starvation of besieged populations invasion and annexation of territory and the mass movement of refugees and displaced persons It has also witnessed cracks and cleavages within Western liberal democracies as a result of deepening economic inequality The Return of History argues that our own liberal democratic society was not inevitable but that we must all as individual citizens take a more active role in its preservation and growth

493 Why must we return from the Nicene Creed to the gospel of the water and the Spirit The gospel that the early church
preached was precisely the gospel of the water and the Spirit That gospel was the gospel that Jesus actually shouldered and
washed away the sin of the world through the baptism He received from John The baptism Jesus received from John was to
fulfill the law of the sacrificial system found in Leviticus That is just as sin was transferred to the sacrificial offering through
the laying on of hands the substance of that sacrificial law was fulfilled through Jesus s baptism However in the process of
the Nicene Creed s formation the ministry of Jesus having the sin of the world transferred to Him by being baptized by John
was deleted from the creed s contents As a result this truth has been passed down in a hidden state within Christianity for
about 1 700 years reaching the present day Today many people are struggling to receive the removal of their sins without
knowing when their sins were transferred to Jesus Because of this even while saying they believe in the gospel of the cross
they fail to reach true assurance of salvation and live amidst repetitive repentance and the pangs of conscience The reason
we must return to the gospel of the water and the Spirit is clear This is because only this gospel allows us to meet the Jesus
who became the sacrificial offering as the sin of the world was transferred to His body and thereby have assurance of
salvation The New Life Mission <https://www.bjnewlife.org> **Official Daily Market Report** New York Metal Exchange,1919
