

Snapchat is a messaging app.

Users can take photos, record videos, add text or drawings and send them to friends. These Snaps will disappear after viewing, or within 24 hours (for a Story).

68%*
of UK 13-15 year olds use Snapchat.

As with any social platform, sometimes Snapchat users can act in ways which may lead to others feeling offended, abused or left out. Users can always report abuse on Snapchat, can block offending users, or leave any group chat where they feel uncomfortable.

Share Snaps (images) or chat with friends. Explore news and entertainment from established publishers. Make video and voice calls. See where your friends are on the Snap Map.

13+

13-17 year olds should have permission from a parent or legal guardian.
