Goodreads Choice Update:

Come As You Are: Revised and Updated Emily Nagoski,2021-03-02 A revised and updated edition of Emily Nagoski's game changing New York Times bestseller *Come As You Are* featuring new information and research on mindfulness, desire and pleasure that will radically transform your sex life. For much of the 20th and 21st centuries, women's sexuality was an uncharted territory in science, studied far less frequently and far less seriously than its male counterpart. That is, until Emily Nagoski's *Come As You Are*, which used groundbreaking science and research to prove that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized, but how you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it, and that even if you don't always feel like it, you are already sexually whole by just being yourself. This revised and updated edition continues that mission with new information and advanced research demystifying and decoding the science of sex so that everyone can create a better sex life and discover more pleasure than you ever thought possible.

The Turn of the Key Ruth Ware,2020-05-12 INSTANT NEW YORK TIMES BESTSELLER A superb suspense writer Brava! Ruth Ware. I daresay even Henry James would be impressed. Maureen Corrigan, author of *So We Read On*. This appropriately twisty *Turn of the Screw* update finds the *Woman in Cabin 10* author in her most menacing mode, unfurling a shocking saga of murder and deception. Entertainment Weekly: From the #1 New York Times bestselling author of *The Lying Game* and *The Death of Mrs Westaway* comes this thrilling novel that explores the dark side of technology. When she stumbles across the ad, she's looking for something else, completely. But it seems like too good an opportunity to miss: a live-in nanny post with a staggeringly generous salary. And when Rowan Caine arrives at Heatherbrae House, she is smitten by the luxurious smart home fitted out with all modern conveniences, by the beautiful Scottish Highlands, and by this picture-perfect family. What she doesn't know is that she's stepping into a nightmare, one that will end with a child dead and herself in prison, awaiting trial for murder. Writing to her lawyer from prison, she struggles to explain the events that led to her incarceration. It wasn't just the constant surveillance from the home's cameras or the malfunctioning technology that woke the household with booming music or turned the lights off at the worst possible time. It wasn't just the girls who turned out to be a far cry from the immaculately behaved model children she met at her interview. It wasn't even the way she was left alone for weeks at a time with no adults around, apart from the enigmatic handyman. It was everything. She knows she's made mistakes. She admits that she lied to obtain the post and that her behavior toward the children wasn't always ideal. She's not innocent by any means. But she maintains she's not guilty, at least not of murder, but somebody is. Full of spellbinding menace and told in Ruth Ware's signature suspenseful style, *The Turn of the Key* is an unputdownable thriller from the Agatha Christie of our time.
