Netflix In The Us:

Television's Streaming Wars Arienne Ferchaud, Jennifer M. Proffitt, 2023-11-03 This volume addresses contemporary debates and trends regarding the production and distribution content and audience engagement with the television streaming industry The book interrogates the economics and structure of the industry questions the types and diversity of content perpetuated on streaming services and addresses how audiences engage with content from US and global perspectives and within various research paradigms Chapters address the television streaming wars including the debates and trends in terms of its production and competition diversity and growth of programming and audience consumption focusing on multiple platforms content and users This timely and creative volume will interest students and scholars working in television studies media industry studies popular culture studies audience studies media psychology critical cultural studies and media economics

Global Strategy Sali Li, Noman Shaheer, 2025-01-07 Global Strategy is a groundbreaking textbook that redefines the field of global strategy shifting the focus from scaling established businesses to creating innovative businesses responding to international market needs It equips future multinational leaders with the tools and insights needed to succeed in the rapidly evolving world of global business

Transnational Korean Television Hyejung Ju, 2019-11-29 Transnational Korean Television Cultural Storytelling and Digital Audience provides previously absent analyses of Korean TV dramas transnational influences peculiar production features distribution and consumption to enrich the contextual understanding of Korean TV s transcultural mobility Even as academic discussions about the Korean Wave have heated up Korean television studies from transnational viewpoints often lack in depth analysis and overlook the recently extended flow of Korean television beyond Asia This book illustrates the ecology of Korean television along with the Korean Wave for the past two decades in order to showcase Korean TV dramas international mobility and its constant expansion with the different Western television and their audiences Korean TV dramas mobility in crossing borders has been seen in both transnational and transcultural flows and the book opens up the potential to observe the constant flow of Korean television content in new places peoples manners and platforms around the world Scholars of media studies communication cultural studies and Asian studies will find this book especially useful

Surveillance and Terror in Post-9/11 British and American Television Darcie Rives-East, 2019-07-18 This interdisciplinary study examines how state surveillance has preoccupied British and American television series in the twenty years since 9 11 Surveillance and Terror in Post 9 11 British and American Television illuminates how the U S and U K bound by an historical cultural and television partnership have broadcast numerous programs centred on three state surveillance apparatuses tasked with protecting us from terrorism and criminal activity the prison the police and the national intelligence agency Drawing from a range of case studies such as Sherlock Orange is the New Black and The Night Manager this book discusses how television allows viewers writers and producers to articulate fears about an increased erosion of privacy and civil liberties following 9 11 while simultaneously

expressing a desire for a preventative mechanism that can stop such events occurring in the future However these concerns and desires are not new encompassing surveillance narratives both past and present this book demonstrates how television today builds on earlier narratives about panoptic power to construct our present understanding of government surveillance

Marveling Religion Jennifer Baldwin, Daniel White Hodge, 2022-09-09 *Marveling Religion Critical Discourses Religion and the Marvel Cinematic Universe* is an edited volume that explores the intersection of religion and cinema through the lenses of critical discourse The focus of the shared inquiry are various films comprising the first three phases of the Marvel Cinematic Universe MCU and corresponding Netflix series The contributors explore various religious themes and how they intersect with culture through the canon on the MCU The first part focuses on responses to the societal governmental and cultural context that solidified with clarity during the 2016 Presidential Election cycle in the United States and in the following administration Additionally it provides lenses and resources for engaging in productive public actions Part two explores cultural resources of sustaining activism and resistance as well as some of the key issues at stake in public action The third part centers on militarization and resistance to state violence Taken in concert these three sections work together to provide frames for understanding while also keeping us engaged in the concrete action to mobilize social change The overarching aim of the volume is to promote critical discourse regarding the dynamics of activism and political resistance

Management Information Systems James O'Brien, 2010 *Overview* The benchmark text for the syllabus organized by technology a week on databases a week on networks a week on systems development etc taught from a managerial perspective O'Brien defines technology and then explains how companies use the technology to improve performance Real world cases finalize the explanation

The Hollywood Reporter, 2009 *Handbook of Research on Communication Strategies for Taboo Topics* Luurs, Geoffrey D., 2022-04-29 Social norms are valuable because they help us to understand guidelines for appropriate and ethical behavior However as part of that process cultures develop taboo behaviors and topics for group members to avoid Failure to discuss important topics such as sex drug use or interpersonal violence can lead to unwanted or unintended negative outcomes Improving communication about forbidden topics may lead to positive social and health outcomes but we must first develop the communication and coping skills to handle these difficult conversations The *Handbook of Research on Communication Strategies for Taboo Topics* seeks both quantitative and qualitative research to provide empirical evidence of the negative social and health outcomes of avoiding taboo conversations and provides communication and coping strategies for dealing with difficult topics Covering a range of issues such as grief and forgiveness this major reference work is ideal for academicians practitioners researchers counselors sociologists professionals instructors and students
