Yair Mintzker

Jude Devir:

The New Israel Atlas Zev Vilnay, Karṭa (Firm), 1969 □□□□□□□□ □□□□□□□□□□□□ (Thethiyida Kurippukal) □□□□□□□□
□□□□□□□□, 2022-09-20 2018 *The Maiden of Ludmir* Nathaniel Deutsch, 2003-10-06 The first book length account of one of the most fascinating figures in modern Jewish history With invigorating prose *The Maiden of Ludmir* makes the world of 19th century Europe come alive Deutsch is a fascinating sophisticated and rare combination of social historian and cultural critic Elliot Wolfson Abraham Lieberman Professor of Jewish Mysticism and Philosophy New York University A beautifully written and moving study of a woman who stood alone as a spiritual leader breaking the bounds of women s spirituality and gender roles to assume the position of a male zaddik Hasidic leader Deutsch s own journey to Ludmir lends a unique and charming voice to this compelling story David Biale author of *Power and Powerlessness in Jewish History* Devir ,1923 **The Renaissance of Jewish Culture in Weimar Germany** Michael Brenner, 1998-01-01 Although Jewish participation in German society increased after World War I Jews did not completely assimilate into that society In fact says Michael Brenner in this intriguing book the Jewish population of Weimar Germany became more aware of its Jewishness and created new forms of German Jewish culture in literature music fine arts education and scholarship Brenner presents the first in depth study of this culture drawing a fascinating portrait of people in the midst of redefining themselves The Weimar Jews chose neither a radical break with the past nor a return to the past but instead dressed Jewish traditions in the garb of modern forms of cultural expression Brenner describes for example how modern translations made classic Jewish texts accessible Jewish museums displayed ceremonial artifacts in a secular framework musical arrangements transformed synagogue liturgy for concert audiences and popular novels recalled aspects of the Jewish past Brenner s work while bringing this significant historical period to life illuminates contemporary Jewish issues The preservation and even enhancement of Jewish distinctiveness combined with the seemingly successful participation of Jews in a secular non Jewish society offer fresh insight into modern questions of Jewish existence identity and integration into other cultures **Hybrid Hate** Tudor Parfitt, 2020-11-06 *Hybrid Hate* is the first book to study the conflation of antisemitism and anti Black racism As objects of racism Jews and Blacks have been linked together for centuries as peoples apart from the general run of humanity In this book Tudor Parfitt investigates the development of antisemitism anti Black racism and race theory in the West from the Renaissance to the Second World War Parfitt explains how Jews were often perceived as Black in medieval Europe and the conflation of Jews and Blacks continued throughout the period of the Enlightenment With the discovery of a community of Black Jews in Loango in West Africa in 1777 and later of Black Jews in India the Middle East and other parts of Africa the notion of multiracial Jews was born Over the following centuries the figure of the hybrid Black Jew was drawn into the maelstrom of evolving theories about race hierarchies and taxonomies Parfitt analyses how Jews and Blacks were increasingly conflated in a racist discourse from the mid nineteenth century to the period of the Third Reich as the two

fundamental prejudices of the West were combined Hybrid Hate offers a new interpretation of the rise of antisemitism and anti Black racism in Europe and casts light on contemporary racist discourses in the United States and Europe

I, Wandering Jew Yair Mintzker, 2026-03-31 Combining history detective story and memoir a surprising and revealing account of the antisemitic myth of the Wandering Jew The story behind the mythical figure of the Wandering Jew is one of the most fascinating tales in European history In I Wandering Jew National Jewish Book Award winning historian Yair Mintzker traces the tale back to its source follows its many metamorphoses through five centuries and relates it to the fraught present moment According to a mysterious pamphlet published in 1602 the Wandering Jew was a real person named Ahasversus who was cursed by Jesus to eternal wandering after refusing to help him as he was led to his crucifixion For more than four hundred years many otherwise reliable witnesses have claimed to have seen the Wandering Jew Moving in reverse chronological order I Wandering Jew explores crucial episodes in the story of this figure We meet an unforgettable Wandering Jew like character who appeared out of nowhere in Israel in the 1950s a nineteenth century novelist who was the first Jew to favorably describe the Wandering Jew an eighteenth century German scholar who saw the Wandering Jew emerging from a devastating fire and the man who likely inspired the 1602 pamphlet A work of history that reads like a detective story I Wandering Jew is also part memoir As Mintzker discovers affinities between his own story and that of the Wandering Jew the surprising history of an old antisemitic trope and its meanings becomes a profound meditation on home and exile Judaism and Christianity poetry and truth the deep past and the present

Catalog of the Hebrew collection of the Harvard College Library: Author Harvard College Library, 1995

Jesus Reclaimed Rabbi Walter Homolka, 2015-01-01 After centuries of persecution oppression forced migrations and exclusion in the name of Christ the development of a Jewish Quest for the Historical Jesus might seem unexpected This book gives an overview and analysis of the various Jewish perspectives on the Nazarene throughout the centuries emphasizing the variety of German voices in Anglo American contexts It explores the reasons for a steady increase in Jewish interest in Jesus since the end of the eighteenth century arguing that this growth had a strategic goal the justification of Judaism as a living faith alongside Christianity
