[The Politics of Soft Hindutva](#) Amod Damle, Nilu Damle, 2023-06-16 This book examines the rise of two contrasting variants of Hindu nationalism the Bharatiya Janata Party's BJP divisive cultural nationalism and the softer less threatening variant of Hindutva espoused by the Aam Aadmi Party AAP and Trinamool Congress TMC Historically the overlaps between Hinduism and Islam bolstered the narrative that the Muslims were culturally inferior to the Hindus and that Hinduism was India's unifying tradition As a result for many Hindus emphasizing the distinctiveness of a minority group especially the Muslims represents a threat to Hindu superiority and India's cultural integrity With the rise of the BJP AAP and TMC we witness a tussle between two strains of Hindu nativism The BJP attempts to attract the Hindu vote by heightening the differences between Hindus and Muslims and portraying itself as the restorer of national integrity The AAP and TMC revive a much older form of cultural nativism by downplaying the separateness of the Muslims indicating that India is already a Hindu nation and that there is no need to persecute religious minorities Comparing the two variants of cultural nationalism provides valuable insights into how culture matters in Indian politics

**Never Give Up** Mrinmoy Bhattacharya, 2020-01-30 Born to an upper middle class family Mrinmoy Bhattacharyya lost his mother and became a refugee before he was eight years old The Partition of India in 1947 forced him to relocate to West Bengal from East Pakistan in utter penury This is the story of how he worked his way up from there to the helm of the college and university teachers movement in India helping make a positive change to the working conditions of millions in the teaching profession The entire journey of his life is narrated by threading together numerous poignant moments and events making the book a compelling read from the first chapter

[Joy Maa Durga](#) Sujay Chatterjee, 2024-09-09 This story is about reconnection with one's roots culture and upbringing Joy the protagonist of the story hails from an Indian bengali family and is settled in Denmark with his mother wife Shree and daughter named Misti Though he belongs to a zamindar landlords family in Bengal he is almost disconnected with the bengali culture because of the preoccupations and the distance from the culture and the homeland He is often filled with guilt that he is not giving enough exposure of bengali culture to his daughter and she may face identity crisis in future Don't worry this story is not about this common issue faced by most of the nonresidential Indians irrespective of their culture This story is about turn of events that leads Joy to return to his roots and reconnect with his culture It often so happens with all of us that because of frequent adaptation to our surroundings and people around us we change so much that we often forget or suppress our true self But that is securely preserved in some remote corner of our soft heart waiting to resurface at an opportune moment The joy of expressing our true self is the joy we all long for Let's see ourselves how that happens with our main character of this book JOY
