

CHAOS REPORT 2015

The CHAOS Report 2015 is a model for future CHAOS Reports. There have only been two previous CHAOS reports, the original in 1994 and the 20th edition of 2014. This new type of CHAOS Report focuses on presenting the data in different forms with many charts. Most of the charts come from the new CHAOS database from the fiscal years 2012 to 2015. The CHAOS fiscal year starts March 1 and runs until the end of February. A few of the charts are from the new SURF database to highlight certain information. The purpose of this report is to present the data in the purest form without much analysis and little thought leadership. Analysis and thought leadership are offered in the CHAOS Manifesto series of reports.

Another major change is how we define success. We have multiple definitions, including our newest. We coded the new CHAOS database with six individual attributes of success: OnTime, OnBudget, OnTarget, OnGoal, Value, and Satisfaction. Our traditional definition is OnTime, OnBudget, and OnTarget. This means the project was resolved within a reasonable estimated time, stayed within budget, and contained a good number of the estimated features and functions. Our new Modern definition is OnTime, OnBudget, with a satisfactory result. This means the project was resolved within a reasonable estimated time, stayed within budget, and delivered customer and user satisfaction regardless of the original scope. We have the flexibility to present the results for one to six of these attributes in any combination.

ONBUDGET

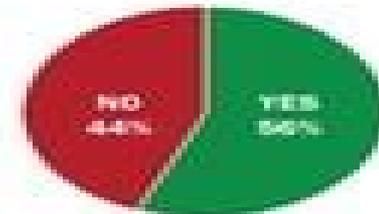

The percentage of projects that were OnBudget from FY2012 - 2015 within the new CHAOS database.

ONTIME

The percentage of projects that were OnTime from FY2012 - 2015 within the new CHAOS database.

ONTARGET

The percentage of projects that were OnTarget from FY2012 - 2015 within the new CHAOS database.

TRADITIONAL RESOLUTION FOR ALL PROJECTS

	2012	2013	2014	2015
SUCCESSFUL	30%	37%	41%	36%
CHALLENGED	30%	40%	40%	45%
FAILED	22%	17%	19%	19%

The traditional resolution of all software projects from FY2012 - 2015 within the new CHAOS database.

148 data points otherwise reflect approximate results from FY2012-2015. The total number of software projects is 25,000-plus, with an average of 5,000 per yearly period.

Chaos Report Project Smart Introduction

In today's digital age, the availability of Chaos Report Project Smart books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Chaos Report Project Smart books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Chaos Report Project Smart books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Chaos Report Project Smart versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Chaos Report Project Smart books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Chaos Report Project Smart books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Chaos Report Project Smart books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-

profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Chaos Report Project Smart books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Chaos Report Project Smart books and manuals for download and embark on your journey of knowledge?
