**The Final Cut** Denis Markell,2022-04-26 An hilarious coming-of-age story about home, friendship, and learning that sometimes the most exciting adventures happen behind the scenes. Alex Davis is convinced that seventh grade is going to be his year. After spending all summer at skate camp, he knows he'll finally be seen as one of the cool kids until he's mistakenly put in the wrong elective. Now instead of taking a popular video games class with his friends, he's stuck in filmmaking with hipster teacher Pablo and a group of eccentric classmates. But when it's announced that their films will be entered in the school's annual Golden Reel competition, Alex becomes determined to claim first prize and salvage his seventh grade year. With the help of his longtime crush, his best friend, and a peculiar new student, Alex sets out to make a masterpiece. Soon he discovers that someone is trying to sabotage his film and finds himself embroiled in a mystery one that leads him and his crew to conniving classmates, traitorous teachers, and even corrupt city politicians.

**Aging Moderns** Scott Herring,2022-12-13 What happens when the avant-garde grows old? Examining a group of writers and artists who continued the modernist experiment into later life, Scott Herring reveals how their radical artistic principles set out a new path for creative aging. *Aging Moderns* provides portraits of writers and artists who sought out or employed unconventional methods and collaborations up until the early twenty-first century. Herring finds Djuna Barnes performing the

principles of high modernism not only in poetry but also in pharmacy orders and grocery lists In mystery novels featuring Gertrude Stein and Alice B Toklas along with modernist souvenir collections the gay writer Samuel Steward elaborated a queer theory of aging and challenged gay male ageism The Harlem Renaissance dancer Mabel Hampton dispelled stereotypes about aging through her queer of color performances at the Lesbian Herstory Archives Herring explores Ivan Albright s magic realist portraits of elders Tillie Olsen s writings on the aging female worker and the surrealist works made by Charles Henri Ford and his caregiver Indra Bahadur Tamang at the Dakota apartment building in New York City Showcasing previously unpublished experimental art and writing this deeply interdisciplinary book unites new modernist studies American studies disability studies and critical age studies *Aging Moderns* rethinks assumptions about literary creativity the depiction of old age and the boundaries of modernism *American Childhood* Todd Brewster,2023-05-23 American childhood is a carefully edited photographic record of the lives of American children accompanied by brief thoughtful essays on aspects of their experiences There are over 200 pictures of children in this book ranging over the history of the American nation Some of the people in these pictures would go on to fame or infamy But for the great bulk of them a photograph is likely the only public trace they have left behind *My Family and I* Adam Gussow,2025-02-25 An inspiring memoir about the author s lifelong quest for racial reconciliation the love that sustains his interracial family in contemporary Mississippi and the Yes we can hope for American renewal that fades after the deaths of Trayvon Martin Michael Brown and the despair driven rise of Black Lives Matter What has happened to the dream of beloved community embraced by Martin Luther King Jr and the civil rights movement of the early 1960s the vision of a just humane and colorblind America a nation of black and white together animated by the spirit of mutual respect and strengthened by the bonds of brotherly love As Adam Gussow shows in this urgently needed new book the dream although pressured on every front remains alive At the heart of *My Family and I* is Gussow s determination in King s terms to live out the true meaning of America s creed a quest for transracial brotherhood that takes him from a blues partnership forged on the streets of 1980s Harlem through graduate training at Princeton and decades later a transformative course on the blues literary tradition that he shares with inmates at Mississippi s notorious Parchman Farm Anchoring Gussow s quest is a story of enduring love a playful soulful interracial romance between the newly hired professor at Ole Miss and his soon to be wife Sherrie that blossoms with the birth of a musically gifted son Shaun As America explodes with protest and riots in the summer of 2020 after the death of George Floyd as social justice fundamentalists insist on stigmatizing whiteness and hardening the color line rather than healing the divisions that plague us Gussow is forced to fight for what he loves not just the sanctity of his family circle but King s dream of beloved community *My Family and I* gifts the reader with hope for a future beyond America s seemingly insoluble racial dilemmas *Motherhood vs. Marxism* Conrad Riker,101-01-01 Discover the Forbidden Truths They Don t Want You to Know Why are men today blamed for society s failures while being stripped of authority How did

masculinity become a crime and equality a weapon What if everything you ve been told about race gender and justice is engineered to destroy you Expose the century old Marxist playbook fueling today s social chaos Learn why toxic masculinity is a trap designed to neuter male power Uncover the racist roots of feminist movements and their modern heirs See how woke corporations profit from your submission Defy the lies about wage gaps privilege and biological myths Decode the tactics used to silence dissent and erase history Reclaim your role as protector leader and unapologetic man Reverse civilization s collapse by restoring natural order If you want to dismantle the lies dominate the narrative and defend what s yours buy this book today

*Creativity in Marketing Education* S M A Moin,2026-03-03 Creativity in Marketing Education Storytelling Imagination and Purpose reimagines the classroom as a space where creativity imagination and inclusivity drive learning It reconceptualises every student as a protagonist on a journey of self discovery every educator as a guide and catalyst for change the curriculum as a blank canvas for creativity and teaching and learning as a symphony of possibility This evocative collection invites readers to reimagine marketing education not as a rigid discipline but as a living breathing act of art infused with story values and voice Blending reflection with forward thinking insight the book explores how purposeful education can nurture both intellect and soul From the ancient art of storytelling to the challenges of teaching in the age of imagination and artificial intelligence each chapter intertwines narrative with ethical clarity and creative purpose Educators are called to design with conscience place creativity above convention and redefine success in more human terms At its heart lies a simple yet profound question What does it mean to truly educate a marketer today The answers span moral guidance social inclusion brand storytelling and imaginative freedom guided not by the need to fill minds but to kindle souls Thus teaching when guided by creativity care purpose and the power of story is not a job or profession but a sacred calling This essential guide offers practical exercises ideation techniques and industry case studies to help marketing educators create an inclusive creativity centred classroom It provides a framework for nurturing imaginative purpose driven students prepared to lead and innovate in an ever evolving world This book will appeal to educators scholars and changemakers in the field of marketing who believe that marketing can and must be a force for good
