

Introduction To Math

This will help students learn to multiply numbers with a beginner mindset.

Today you will be learning how to multiply numbers. This can be easy just use the following strategies below to help you learn to become a multiplication master.

For multiplication you take a number and times it by another. To do this you will choose a number, you should all know your facts by now! Once your main number is chose you will sing you facts that amount of times. For example for 4x4 you would sing... Four, eight, twelve, sixteen. After you have sang it that amount of times whatever number you land on will be your answer.

1. $3 \times 6 =$

Use your multiplication facts to answer the question
