POETRY (20 MARKS)

Read the following poem and then answer the questions that follow.

In the city

All moving the Lord knows where,

Dressed in suits and tatters,
Bowties, tights, ochred sheets and earrings,
All thinking of things to come,
Africa is in a state of opportunity,
All look for easy chances.

Of self-upliftment or undeserved promotion
That often mirage further and further
Making frustrate
Minds that should be content

It is a time of opportunity-

When one line makes a poet
And a little acquaintance or chance
Rockets one to the highest office

But the peasant, the pillar of the nation,
Has only to cope with prices that shift
Like the waves that rock the ship
carrying yellow maize to the city.

The employed call out strikes
That only deplete the little funds
That may relieve the peasant-

The elder brother keeps the younger in hunger
At home, if there's any.
