A Personality Portrait Earl A. Jones, 2018-11-13 Which biblical leader most closely reflects your personality traits Almost everyone has taken online or social media based personality profile tests and quizzes Have you ever considered if or if so how your specific personality type compares to a specific character in the Bible A Personality Portrait is a book about you This book will help you to better understand yourself as well as your specific personality type You can do this by taking a free online personality profile test and then comparing your personality type to the detailed profiles created for many characters in the Bible You will also be able to compare the personality traits of your friends family members and colleagues Encourage them to take the test so they can join you on this journey of discovery You will be able to find commonalities between your specific personality type and those of well known characters from the Bible such as Daniel Joseph Elisha Elijah Jacob and King David as well as Peter Paul and John There are more than sixteen complete personality profiles from which you can choose Among the many benefits that you will receive from reading this book not only will you develop a much clearer understanding of yourself and your personality type but you will also gain an ability to develop more fulfilling interpersonal and professional relationships with others recognizing personality traits that exist in them by comparing them to these well known biblical characters

Finding Your Own Truth Reed R. Critchfield, 2010-03 In these tumultuous times who among us knows how to cope or where to turn With all systems on overload what can we do as individuals to stem the tide of financial crisis geopolitical upheaval and ecological disaster As the potentially apocalyptic date of December 21 2012 approaches what can you do to prepare Who can help How can you help yourself and those you love If you are searching for help it is here for the taking Please help yourself And when you do that you help us all The content of this manuscript represents over 30 years of personal research study prayer and life experience Reed relates When I started it was just about me putting my own house in order Then it occurred to me that perhaps other people are struggling to find the Truth too This book was written to help those people seeking to find their path in life leading to peace and happiness It is for those who are looking for the Truths

that help them give meaning to their existence and give them the deeper reasons for why they are on the earth at this particular point in time If you have ever wondered who you really are why you were born to this era and how you can fulfill your individual purpose of your existence this book can help When enough of us figure this out we become a catalyst to help the human race collectively fulfill its destiny This book can open your mind and heart to new ways of looking at your mortality and for ultimately finding true happiness from within It will assist you in awakening to your relationships with others with the Earth the Cosmos and God
