*The Return of the State* Graeme Garrard,2022-01-01 A vigorous and timely defense of the state as a force for good For decades now wealth and power have been shifting from states to markets This experiment has been a failure for all but a privileged few But this trend is beginning to reverse accelerated by the COVID 19 pandemic which has seen the state play the most direct and positive role in citizens everyday lives in living memory Graeme Garrard makes a powerful case for the state as our only realistic hope of countering the rising power of multinational corporations organized crime and international organizations that will always put their own interests first Today the state is essential to the health and welfare of everyone except the rich and powerful Yet it is being rolled back and whittled away leaving the well being of most of us at the mercy of unaccountable private powers that are increasingly free from external control As Garrard shows the state is the only realistic way of promoting the public good in our time

Born to Multiply LaShawne Holland,2019-05-10 THOUGHT PROVOKING INVIGORATING INSPIRATIONAL A ROUSING ROADMAP FOR ANYONE WHO DESIRES TO TRANSFORM THEIR FINANCIAL SITUATION AND DISCOVER HOW TO USE WHAT'S IN THEIR HANDS TO CREATE GENERATIONAL

WEALTH AND TRUE FINANCIAL FREEDOM LaShawne Holland never knew what she wanted to be when she grew up Unlike her 3rd grade classmates who wanted to be attorneys astronauts chefs and doctors she never had THAT vision Her vision was unconventional and so was her answer to the teacher I DON T WANT TO BE BROKE were the words that escaped her mouth Loud and clear she confidently repeated it as second time as if the class didn t hear her the first time as confirmation of her big dream She was an honor roll student all throughout school then in her 12th grade year her High School Guidance Counselor told her in a meeting that kids like you don t go to college Confused and shocked by his comments she left that meeting more determined than ever to not become the statistic that society would try to box her in to be She went to college working three jobs to pay her way through school graduating with a Bachelor of Science in Accounting and went to work in Corporate America It didn t take long for her to start to feel the uncomfortable tug in her heart that she didn t want to be placed in a box and only make in a salary what her boss deemed she was worth Born to Multiply is about seizing and taking hold of the promises of God in the bible where wealth and riches is concerned and apply them to your life It s about employing your gifts that was placed inside of you before the foundations of the world to create wealth LaShawne believes that wealth follows purpose and no one has the right to tell you that you can only have a certain income level LaShawne disrupts the social economic norms that society tries to tag children of teen parents with In Born to Multiply she shares her journey and helps the reader discover how to transform financial suffocation to financial success
