## PRACTICE PROBLEMS: FLUIDS & DENSITY

The image shows a scan of a physics practice problem sheet. The sheet is divided into two main sections. The left section contains several paragraphs of text, likely describing a problem or providing background information. The right section is a table with multiple columns and rows, containing numerical values and possibly units, which are likely the answers to the problems or data points for a graph. The text and table are somewhat blurry and difficult to read due to the low resolution of the scan.
