- A streamlined process for identifying and resolving discrepancies between customer payments and invoices.
- Implemented a new payment processing system, resulting in a 15% reduction in payment processing times.
- Trained a team of 5 cash application specialists on best practices for cash application.
- Developed and documented internal procedures for handling customer disputes and refunds.
- Assisted with the collection of overdue invoices, resulting in a 20% increase in the collections rate.
- Negotiated payment plans with customers to reduce outstanding receivables and improve cash flow.

I am proficient in using a wide range of accounting software programs and I am comfortable learning new systems. I also have excellent communication and customer service skills, which I have developed over my years in the accounts receivable and cash application field.

I am excited at the prospect of joining your team and would be more than happy to discuss my qualifications in more detail. Please feel free to contact me at your convenience. Thank you for your time and consideration.
