Beginning Mandarin Chinese Characters Haohsiang Liao,Kang Zhou,2019-08-06 Learn the essential Mandarin Chinese characters and words in everyday use in China Anyone planning to learn Chinese knows that there are 300 primary characters they must learn to function in China This systematic introduction to Mandarin is designed to help you learn them fast along with how to pronounce write and remember 1 200 key vocabulary words and phrases

Essential for anyone wishing to pass the official Chinese government HSK Level 1 2 proficiency exam or the Advanced Placement AP Chinese Language and Culture Exam Beginning Mandarin Chinese Characters presents these 300 characters in a series of very simple and easy lessons that The characters are grouped into themes with a warm up narrative for each character Each character s pronunciation and meanings in combination with other characters are presented Exercises to practice recognizing the characters and using the vocabulary are provided Writing guides show you how to write each correctly Includes easy access to online native speaker audio recordings and free printable flashcards [Chinese Character a Day Practice Pad Volume 1](#) Philip Yungkin Lee,2015-09-08 With [A Chinese Character A Day](#) you can master 365 essential Chinese characters in just minutes a day Each sheet introduces a new character in bold easy to read type with pronunciation meanings stroke order and four compounds illustrating usage Five minutes a day and you re on your way to writing Chinese like a native For easy reference and review 365 characters are listed **Chinese Character Practice Workbook for Kids** Jane Smith,2021-09-14 *Easy Learning* Ping Makarsky,2012-01-26 *Easy Learning Chinese Characters* is designed for English speakers or anyone who has a good command of the English language Unlike Chinese speakers English speakers are used to a phonetic writing system that is what they read is what they hear When they see an English word they expect its letters to tell them the pronunciation and recognize its meaning Thus English speakers find Chinese characters to be too complicated and confusing because they cannot pronounce them easily Without a phonetic system they have to find the pronunciations through pinyin and then find the meaning Therefore English speakers think they need extra time to learn to connect the graphic shapes of Chinese characters with their pronunciation So learning the Chinese language can seem like learning two different languages one for listening and speaking and the other for reading and writing However if you can master the methods of learning Chinese characters in this book you will get twice the results with half the effort *Easy Learning Chinese Characters* can make your Chinese character learning process easy and fun It is intended to be an intensive course book for English speakers who have just started to learn Chinese writing Anyone who has pinyin as a foundation can study this book by themselves This book has 86 lessons in total with detailed explanations of 550 basic Chinese characters and over 2400 Chinese words and phrases This gives learners the foundation from which they can expand to read the 4000 basic Chinese characters With basic knowledge of the evolutionary history of Chinese characters learners will gain a brand new perspective and profound understanding during the learning process Over 90% of the characters in *Easy Learning Chinese Characters* are accompanied with pictures showing how the character evolved from its original shape to its current simplified form Only less than 1% of the characters in this book may need to be memorized mechanically but even they are provided with vivid pictures to help remember them All of the characters words and phrases are provided with detailed pronunciation in pinyin So all the lessons taught in this book should be easily mastered by new learners All languages are connected Chinese is similar to English in numerous ways Pictophonetic characters make up over 90% of all

Chinese characters By mastering the rules of pictophonetic characters one can read most of the characters Chinese radicals the part of a Chinese character which represents its meaning are like English monograms Monograms represent the meaning of words for example words containing astro are mostly related to stars Easy Learning Chinese Characters focuses on teaching you to master basic character forms including pictographic characters self explanatory characters and ideographic characters These make up the foundation of all characters This book references several Chinese language sources in order to provide precise and detailed explanations of each character These sources include The Contemporary Chinese Dictionary Advanced Chinese Characters Dictionary Kangxi Dictionary and Shuowen Jiezi Explaining Simple and Analyzing Compound Characters With the help of Easy Learning Chinese Characters learners will have the confidence to master Chinese reading and writing in a relatively short period of time Chinese Characters Made Easy Michael L. Kluemper, Kityee Yam Nadeau, 2015-12-15 This highly visual book introduces an effective new method for learning Chinese characters using visual stimuli and pictographs Learning the basic characters used to write even simple Chinese sentences can be a long and arduous process Chinese Characters Made Easy makes the learning process fun and easy by presenting the 1 000 most common characters using a new mnemonic approach that associates each character with a memorable visual and verbal clue making memorization easy The character for person for example is superimposed over a sketch of a man representing a person standing on two legs drawing the reader's attention to the distinctive shape of the character and associating the sketch with the character's meaning The Chinese characters are presented in groups or clusters all sharing common elements and meanings for context and ease of identification These groups of characters all share common root symbols known as radicals or relate to a particular theme or topic such as colors numbers animals or body parts Pronunciations meanings and vocabulary compounds are provided for each character in the group A free audio CD provides native speaker pronunciations for all the characters and their associated vocabulary A short introduction explains the history and structure of the Chinese writing system This Chinese character book's visual approach is a powerful learning tool It can be used by serious students and is entertaining and useful to general readers who are curious about how the Chinese writing system works and how it developed Learning Chinese Characters For Kids Easy Fast & Fun -Vol 2 Animals Zaiwen Wen, 2020-03-24 Chinese is the most widely spoken language in the world Each character reflects the beauty and culture of ancient China Chinese is the most valuable second language opening up the future to young learners We start with the characters because it's the hardest but we want to make it easy We hope to help learners all over the world learn Chinese through playful learning to understand the evolution of Chinese characters This book isn't just for kids It's for adults and parents who want to identify with their roots We help non native speakers visualize each Chinese character with both pinyin and English translations if you want to learn more Chinese characters about animals please read my other book Learning Chinese Characters For Kids Easy Fast Fun Vol 1 Animals *Tracing and Writing Traditional Chinese Characters in*

Sentences (3 Stories) Sam Song, 2015-01-19 In the first several years of schooling any and all Chinese students learn to write new characters so that they can recognize and memorize them For a learner of Chinese language it will be very helpful for learning new characters by tracing and writing them The tracing and writing process also has other purposes such as coordination training for the finger muscles to make beautiful handwriting This book is the companion book for Learning Chinese The Easy Way level 1 books While reading 3 famous Chinese stories 1 Two Men and The Bear 2 The Wind and The Sun 3 The Fox and The Goat in Learning Chinese The Easy Way level 1 books we can trace and write characters and sentences in the stories Not only we can remember the characters and sentences also we have a much better feel for sentence and phrasing in Chinese
