Resurrection Meghan March, 2026-03-20 Resurrection is the next exciting installment of the Mount Saga from New York Times bestselling author Meghan March Jury and Imogen

Kilgore didn't expect to bury their sister Keira and her family in New Orleans after the explosion of the Seven Sinners Distillery. As sisters, they had never agreed on much, but they now agreed on one thing: something didn't seem right about this whole business. To cement their remaining sisterly bond, Jury insisted they get memorial tattoos, but the last thing they expected was their visit to Voodoo Ink to send them on a scavenger hunt through the city orchestrated by their sister and her husband from beyond the grave. What they found shocked them both and left them with more questions than answers: Was Keira really dead? And what were the gorgeous tattoo artist and the sexy mysterious Frenchman hiding? Were there more answers to be found or just endless questions? Could they even dare believe that this would lead to a resurrection? This novella begins after the events of *Redemption* and for best enjoyment and full understanding, it is suggested the reader first read *The Mount Trilogy*: *Magnolia*, *Duet*, and *Redemption*.

His wisdom deeply resonates with my lived experiences; he is often able to beautifully articulate what I cannot put into words. Vex King's *The Eye of the I*, which calibrates at 950, is more advanced than *Power vs. Force*, which calibrates at 850, and brilliantly reveals the very core of the spiritual process critical to the state of Enlightenment. This is the second volume of a trilogy that began with *Power vs. Force* and came before the third volume, entitled *I, Reality, and Subjectivity*. The intrinsic power of the information in this classic will elevate the consciousness of the reader. Included are verbatim dialogues with advanced students, instructions, and explanations that illuminate the spiritual teachings. *The Eye of the I* dissolves the barriers between the Newtonian linear paradigm of the ego and the nonlinear reality of Enlightenment. With the resolution of the self, the Self shines forth and reveals one's true identity. With a blend of metaphysics, meditation, and motivational wisdom, this book is your key to unlocking an elevated consciousness and achieving personal transformation. An essential read for anyone on a spiritual journey or those seeking enlightenment, offering guidance and encouragement for awakening and raising your consciousness.
