**The History of Co-operation in England. Its Literature and its Advocates** George Jacob Holyoake,2025-07-10 Reprint of the original first published in 1875 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage Writers, Writing, and Revolution R. G. Williams,2022-07-13 This book is a study of the role of writers in social revolutions It explores how writing and writers have shaped revolutions and how they continue to do so It also investigates the connection between writers and radicals outlining some of the historical political social and intellectual connections between writers and revolution Overall this is a book of political theory literary theory and political action it is a call for writers to work towards Socialism *Russian Literature and Its Demons* Pamela Davidson,2000

Merezhkovsky s bold claim that all Russian literature is to a certain degree a struggle with the temptation of demonism is undoubtedly justified And yet despite its evident centrality to Russian culture the unique and fascinating phenomenon of Russian literary demonism has so far received little critical attention This substantial collection fills the gap A comprehensive analytical introduction by the editor is followed by a series of fourteen essays written by eminent scholars in their fields The first part explores the main shaping contexts of literary demonism the Russian Orthodox and folk tradition the demonization of historical figures and views of art as intrinsically demonic The second part traces the development of a literary tradition of demonism in the works of authors ranging from Pushkin and Lermontov Gogol and Dostoevsky through to the poets and prose writers of modernism including Blok Akhmatova Bely Sologub Rozanov Zamiatin and through to the end of the 20th century Deutsch-amerikanische Geschichtsblätter ,1922 The Palgrave Handbook of Literature and the City Jeremy Tambling,2017-02-17 This book is about the impact of literature upon cities world wide and cities upon literature It examines why the city matters so much to contemporary critical theory and why it has inspired so many forms of writing which have attempted to deal with its challenges to think about it and to represent it Gathering together 40 contributors who

look at different modes of writing and film making in throughout the world this handbook asks how the modern city has engendered so much theoretical consideration and looks at cities and their literature from China to Peru from New York to Paris from London to Kinshasa It looks at some of the ways in which modern cities whether capitals shanty towns industrial or rust belt have forced themselves on people s ways of thinking and writing
