like they've got you all figured out Sirisha's ready for a change Will she be able to break out of her shell Rani has the perfect relationship with her boyfriend Raj And she won't let anyone forget it That's why her short film for the festival is all about their epic love story one that transcends time and space But when filmmaking stress reveals cracks beneath the surface how will Rani respond Relationships fall apart and come together But through it all there's one thing the Singhs can count on Their family will always be there for one another The Singh sisters are our modern day Little Women an utterly charming series to curl up with over a long weekend Susan Azim Boyer author of *Jasmine Zumideh Needs a Win* and *The Search for Us* heartfelt and charming Prasad's lyrical prose breathes life and joy into the stories of the Singh sisters as they fall in and out of love while always staying true to themselves and each other This swoony slice of life romance melted my heart Leslie Vedder bestselling author of *The Bone Spindle* trilogy With expressive prose that ignites the senses Prasad whips up the perfect whirlwind of romance heartbreak and healing The end result is a warm lovingly crafted tale that proves sometimes the best way to weather a storm is through the unshakable bonds of family and sisterhood Brian D Kennedy author of *A Little Bit Country* **New York Court of Appeals. Records and Briefs.** New York (State)., California Lawyer ,1994 Northern California Jewish Bulletin ,1990 **Microtimes** ,1995-11 *Cosmopolitan* ,1991-07 **ENDLESS LOVE, ROMANCE , AND INTIMACY** Bukonya Siraje, As a society we are embarrassed by love We treat it as if it were an obscenity We reluctantly admit to it Even saying the word makes us stumble and blush Love is the most important thing in our lives a passion for which we would fight or die and yet we're reluctant to linger over its names Without a supple vocabulary we can't even talk or think about it directly As the title **ENDLESS LOVE ROMANCE AND intimacy** indicates we want to live in a culture where love can flourish We yearn to end the lovelessness that is so pervasive in our society This book tells us how to return to love **ENDLESS LOVE ROMANCE AND intimacy** provides radical new ways to think about the art of loving offering a hopeful joyous vision of love's transformative power it lets us know what we must do to love again Gathering love's wisdom it lets us know what we must do to be touched by love's grace **THERE ARE NOT** many public discussions of love in our culture right now At best popular culture is the one domain in which our longing for love is talked about Movies music magazines and books are the place where we turn to hear our yearnings for love expressed Yet the talk is not the life affirming discourse of the sixties and seventies which urged us to believe All you need is love Nowadays the most popular messages are those that declare the meaningless of love its irrelevance A glaring example of this cultural shift was the tremendous popularity of Tina Turner's song with the title boldly declaring What's Love Got to Do with it I was saddened and appalled when I interviewed a well known female rapper at least twenty years my junior who when asked about love responded with biting sarcasm Love what's that have never had any love in my life Youth culture today is cynical about love And that cynicism has come from their pervasive feeling that love can not be found Expressing this concern in *When All You've ever Wanted isn't Enough* Harold Kushner writes I'm afraid that we may be raising a generation of young people who will grow up afraid to

love afraid to give them selves completely to another person because they will have seen how much it hurts to take the risk of loving and have it not work out am afraid that they will grow up looking for intimacy without risk for pleasure without significant emotional investment They will be so fearful of the pain of disappointment that they will forgo the possibilities of love and joy Young people are cynical about love Ultimately cynicism is the great mask of the disappointed and betrayed heart When I travel around the nation giving lectures about ending racism and sexism audiences especially young listeners become agitated when I speak about the place of love in any movement for social justice
