The Good Housekeeping Illustrated Guide to Women's Health Kathryn Cox, 1995 More than ever women are taking charge of their own health No longer content to let the doctor decide they are demanding a say in picking the therapy or procedure that s best for them Indeed American women are envied around the world because they have so much control over their bodies With this newfound control comes the responsibility to be a truly informed partner in making important medical decisions This means keeping abreast of new scientific developments and knowing what questions to ask or where to find the answers no easy task given the sometimes overwhelming and often conflicting flood of medical information available through the media and other sources With this in mind the editors of Good Housekeeping have created the Illustrated Guide to Women s Health a timely and thorough text compiled by a team of medical experts These highly respected specialists represent the spectrum of

women's health concerns from internal medicine endocrinology rheumatology breast surgery and plastic and reconstructive surgery to psychiatry occupational medicine nutrition and exercise physiology Unlike general health books that concentrate heavily on male health issues this book focuses solely on a woman's body her medical needs and the social issues she faces from adolescence to old age Like other books on women's health it provides sound information and advice about pregnancy childbirth menstruation menopause and other facets of gynecologic health But unlike most other books for women it also addresses such topics as heart disease occupational health hazards stress management and physical fitness facets of health that are just as critical to women as to men There's also a full color atlas of the female body and its various systems as well as an illustrated encyclopedia covering scores of disorders diagnostic procedures and treatments Throughout the text is written in clear understandable language supported by illustrations that make even the most complex material easily understandable Above all its tone is straightforward non political and objective Regardless of which roles you fill as a woman wife mother daughter caregiver employee we think you'll agree that *The Good Housekeeping Illustrated Guide to Women's Health* is the one indispensable book designed to make you an informed partner in your own health care BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Fitness Walking For Dummies** Liz Neporent,2000 Call it power walking fitness walking or just plain walking Indoors or out walking is one of the healthiest and most rewarding forms of exercise available to all sorts of people young and old In fact walking burns about the same number of calories per mile as running and it's a lot easier on your knees Walking is one of the most adaptable workout activities around you can walk for an hour straight to make your walking program effective and to achieve your goals or you can accumulate this hour over the course of a day *Fitness Walking For Dummies* is for anyone who wants to start an exercise program but may not have the knowledge or motivation to do it If you're already a walking fanatic you'll find out how to become a better fitness walker This easy to understand guide is also for those who are on track to Lose weight Decrease blood pressure Control cholesterol Relieve stress Prevent heart disease Deal with depression Explore what it takes to begin an exercise program by setting goals choosing shoes and considering nutrition to optimize your workout *Fitness Walking For Dummies* also covers the following topics and more Warm up and cool down routines Strength training The four levels of walking Lifestyle Fitness High Energy Walk Run Weight training routines and stretches that add variety Buying and using a treadmill Age pregnancy and walking with your dog Dealing with pain and injuries Like 67 million other people in the United States who log over 201 million miles a year you want to take advantage of all of the great things a regular walking program can do for you Whether your goal is to improve your health or your appearance lose weight get stronger feel good about yourself or all of the above walking can help you get to where you want to go This book can help you do that by showing you everything you need to know about starting and maintaining a walking program **The Complete Guide to Walking for Health, Weight Loss, and Fitness** Mark Fenton,2007 [Good Housekeeping](#) ,2007 **Walking for Health and Fitness**
