Computer Programing Bangla:

Cyber Law in Bangladesh Mohammad Ershadul Karim,2022-05-20 Derived from the renowned multi volume International Encyclopaedia of Laws this practical guide to cyber law the law affecting information and communication technology ICT in the Bangladesh covers every aspect of the subject including intellectual property rights in the ICT sector relevant competition rules drafting and negotiating ICT related contracts electronic transactions privacy issues and computer crime Lawyers who handle transnational matters will appreciate the detailed explanation of specific characteristics of practice and procedure Following a general introduction the book assembles its information and guidance in seven main areas of practice the regulatory framework of the electronic communications market software protection legal protection of databases or chips and other intellectual property matters contracts with regard to software licensing and network services with special attention to case law in this area rules with regard to electronic evidence regulation of electronic signatures electronic banking and electronic commerce specific laws and regulations with respect to the liability of network operators and service providers and related product liability protection of individual persons in the context of the processing of personal data and confidentiality and the application of substantive criminal law in the area of ICT Its succinct yet scholarly nature as well as the practical quality of the information it provides make this book a valuable time saving tool for business and legal professionals alike Lawyers representing parties with interests in the Bangladesh will welcome this very useful guide and academics and researchers will appreciate its value in the study of comparative law in this relatively new and challenging field

Institutionalization of the Parliament in Bangladesh A. T. M. Obaidullah,2018-07-11 This book explores the institutionalization process with regard to the Parliament in Bangladesh and seeks to identify the main constrains that hinder the Parliament from serving as the uppermost representative body for all segments of society This book sheds valuable new light on key reform initiatives carried out by donor communities in collaboration with the Bangladesh Parliament between the years 1991 and 2015 by presenting an extensive selection of donor proposals to make the Parliament a more potent political institution The book also focused on the barriers of strengthening oversight fiscal oversight in particular resourcing parliament and its secretariat hindering gender equality and gender responsiveness counteracting forces that are weakening rule of law civil liberty of the citizens constitutionalism and democratic consolidation in the country The book presents a comparative picture of the pre and post reform Bangladesh Parliament highlighting on the issue of how much the donor assistance can help promote institutionalization of the parliament and democratic consolidation of a developing country The book will be of immense value to all scholars interested in democratic governance administrative reforms policy studies and the role of parliament as a watchdog ensuring accountability transparency and national integrity **Library of Congress**
