Dance in US Popular Culture Jennifer Atkins,2023-07-21 This innovative textbook applies basic dance history and theory to contemporary popular culture examples in order to examine our own ways of moving in and through culture By drawing on material relevant to students Dance in US Popular Culture successfully introduces students to critical thinking around the most personal of terrain our bodies and our identities The book asks readers to think about what embodied knowledge we carry with us and how we can understand history and society through that lens what stereotypes and accompanying expectations are embedded in performance related to gender and or race for instance how such expectations are reinforced negotiated challenged embraced or rescripted by performers and audiences how readers articulate their own sense of complex identity within the constantly shifting landscape of popular culture how this shapes an active sense of their everyday lives and how this can act as a springboard towards dismantling systems of oppression Through readings questions movement analyses and assignment prompts that take students from computer to nightclub and beyond Dance in US Popular Culture readers develop their own cultural sense of dance and the moving body s sociopolitical importance while also determining how dance is fundamentally applicable to their own identity This is the ideal textbook for high school and undergraduate students of dance and dance studies in BA and BfA courses as well as those studying popular culture from interdisciplinary perspectives including cultural studies media studies communication studies theater and performance studies Chapter 11 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution CC BY 4.0 license

Corpus Approaches to Social Media Sofia Rüdiger,Daria Dayter,2020-11-15 From Twitter to Reddit Facebook and WhatsApp social media is a part of modern everyday life Studying the language used on social media platforms presents great opportunities as well as challenges to corpus linguists The contributions in *Corpus Approaches to Social Media* address technical ethical and methodological issues by showcasing in depth social media studies as conducted by corpus scholars The chapters are based on a variety of social media platforms and include corpus perspectives on the language of online communities linguistic variation in short media texts and the role of images in computer mediated communication A particularly strong point of the collection are the detailed accounts of the methodological aspects of working with social media corpora The volume features research applying traditional corpus linguistic methods to social media data as well as novel and innovative research methods for the analysis of multimodal material and atypical corpus texts

[Finding a Likeness](#) Nicholson Baker,2024-04-02 Named a Best Book of 2024 by Slate and a Most Anticipated Book of 2024 by Literary Hub From the acclaimed and bestselling writer Nicholson Baker a deeply personal account of his journey learning how to paint for the first time and a meditation on the power of art in times of crisis Nicholson Baker wanted to learn how to paint In 2019 after years of researching and writing about secret and often horrible government programs for his book *Baseless* My Search for Secrets in the Ruins of the Freedom of Information Act he was

wiped out Having been steeped for so long in the history of war violence and conspiracy the world had lost some of its brightness Photography had scratched a creative itch for years but now Baker was desperate to squeeze more out of what he saw he wanted to live slowly through the snatches of life he was recording in photos Maybe he thought he could learn to paint The idea consumed him but he was nagged by an even more debilitating doubt What if he failed Finding a Likeness is Baker s record of the years he worked to improve his artistic skills beginning with his first humble attempts to set paintbrush to paper Driven by a natural curiosity and a strong desire to paint faces clouds and landscapes that actually resemble faces clouds and landscapes he attends classes from local artists watches YouTube tutorials and seeks out master painters from the past and present in the hopes of uncovering their secrets In his inimitable voice Baker recounts the highs and lows of the creative process reflects on memories of growing up as the son of two painters and learns what it means to really see Filled with Baker s own art as well as the work of artists from around the world Finding a Likeness is a tender and deeply felt testimony to taking a step back and going back to basics Baker improves dramatically in his craft but as he considers what it means to try fail and try again he discovers far more than what it takes to paint a cloud rather he shows us how to bear witness to the world to the good and the bad and to do it all justice with paper and ink

Update Culture and the Afterlife of Digital Writing John R Gallagher,2020-02-03 Update Culture and the Afterlife of Digital Writing explores neglected circulatory writing processes to better understand why and how digital writers compose revise and deliver arguments that undergo sometimes constant revision John R Gallagher also looks at how digital writers respond to comments develop a brand and evolve their arguments all post publication With the advent of easy to use websites ordinary people have become internet writers disseminating their texts to large audiences Social media sites enable writers audiences to communicate back to the them instantly and often Even professional writers work within interfaces that place comments adjacent to their text privileging the audience s voice Thus writers face the prospect of attending to their writing after they deliver their initial arguments Update Culture and the Afterlife of Digital Writing describes the conditions that encourage published texts to be revisited It demonstrates through forty case studies of Amazon reviewers redditors and established journalists how writers consider the timing attention and management of their writing under these ever evolving conditions Online culture from social media to blog posts requires a responsiveness to readers that is rarely duplicated in print and requires writers to consistently reread edit and update texts a process often invisible to readers This book takes questions of circulation online and shows via interviews with both writers and participatory audience members that writing studies must contend with writing s afterlife It will be of interest to researchers scholars and students of writing studies and the fields of rhetoric communication education technical communication digital writing and social media as well as all content creators interested in learning how to create more effective posts comments replies and reviews

The Hidden Psychology of Social Networks: How Brands Create Authentic Engagement by Understanding What Motivates Us Joe Federer,2020-09-15 From the former Head of Brand Strategy at Reddit comes a proven and thought provoking approach to the digital economy and how brands can create authentic engagement that is rooted in the fundamental motivations behind human psychology Leading marketing practitioner and thought leader Joe Federer draws on evolutionary biology anthropology neuroanatomy and psychology as well as more than a decade of hands on experience to explain why people act so differently in various online spaces and what they are seeking from participating in each one With a framework based on Freud's Id Ego and Superego model of the human psyche he demonstrates how the internet is a digital reflection of the collective human psyche and how different social networks correspond to different mindsets platforms like Reddit to the unfiltered Id Facebook and Twitter to the managed Ego and Instagram to the ideal Superego In the same way you behave

differently when you're home alone out with friends communicating with family or interacting with coworkers people act and express themselves differently in these various online spaces Context matters Understanding this will enable you to develop and execute effective engagement strategies to reach your target audiences on each social network Learn how to create content that drives sharing and word of mouth how brands can fit natively into different types of social channels how to balance branded social presences across different networks why authenticity will only grow in importance to consumers Fascinating and deeply compelling The Hidden Psychology of Social Networks will equip you to make vastly more efficient use of your media buys establish more thoughtful strategies develop better creative and in the end deliver more effective marketing that provides value
