engagements with race representation a video essay exploring Gypsy aesthetics by artists Daniel Baker and Paul Ryan Boots Riley s television series I m a Virgo and Jean Baudrillard s controversial travelogue America Taking an approach to these three texts that is rooted in extended reflexive and especially fine grained analysis and an interest in questions of perspective and framing the book analyses how their complexities might be further worked through whilst exploring also some of the difficulties in so doing This work will be of particular interest to scholars and advanced students of race theory literary studies media studies and cultural analysis who seek fresh methodological approaches to understanding how race is constructed performed and contested across different media landscapes
