

## Names with most Rs

those are all wrong again

I apologize for the continued inaccuracies. Thank you for your patience. Let me try again with more accurate examples:

1. **Roriksonn** (6 occurrences of "R")
2. **Rrrrachel** (6 occurrences of "R")
3. **Rrrrronaldinho** (8 occurrences of "R")

Please note that finding names with a high number of occurrences of the letter "R" is a bit challenging, and these examples might not be common or well-known names. If you're looking for names that are more recognizable, it's possible that the number of "R"s may be limited to a smaller count.
