OCR National Level 2 in IT Jenny Lawson, 2005. The only book written to match the OCR National Level 2 in IT. This is the only book available that completely matches the specifications for this new qualification. It provides students with everything they need to complete the award and fully covers all the assessment objectives. Covers the 4 mandatory units and 4 optional units so students have all they need to pass in one book. Full colour and written in clear, accessible language to motivate students at this level. Simple reinforcement exercises ensure that the theory covered in the text is clear in the students' mind. Features of the book include: Go out and try research to encourage students to gain practical experience; Case Study: real life situations that highlight issues. All case studies include questions to ensure that students fully understand the problems and solutions; Assessment Activities: activities that cover all of the assessment objectives in each unit; End of chapter revision page: a series of summary points reinforcing the important knowledge and understanding that students should have.

CLEARREVISE OCR A LEVEL COMPUTER SCIENCE H446, 2022. OCR GCSE Computer Science (9-1) J277 S. Robson, Pm Heathcote, 2020-03-31. The aim of this book is to provide a comprehensive and accessible text for students covering Papers 1 and 2 in the latest OCR GCSE J277 Computer Science specification. It will be invaluable as a course text for students throughout the course. It is divided into eight sections, each broken down into manageable chapters of roughly one lesson. Sections 6 and 7 of the textbook cover algorithms and programming fundamentals with a theoretical approach to provide students with experience of writing, tracing and debugging pseudocode solutions without the aid of a computer. These sections would complement practical programming experience. Each of the eight sections cover one of the major topics in this course and each subtopic contains sample examination questions from past papers which can be set as homework.
