The Curse of the Good Girl Rachel Simmons,2009-08-25 Bestselling

author of Odd Girl Out Rachel Simmons exposes the myth of the Good Girl freeing girls from its impossible standards and

encouraging them to embrace their real selves In *The Curse of the Good Girl* bestselling author Rachel Simmons argues that in lionizing the Good Girl we are teaching girls to embrace a version of selfhood that sharply curtails their power and potential Unerringly nice polite modest and selfless the Good Girl is a paradigm so narrowly defined that it s unachievable When girls inevitably fail to live up experiencing conflicts with peers making mistakes in the classroom or on the playing field they are paralyzed by self criticism stunting the growth of vital skills and habits Simmons traces the poisonous impact of Good Girl pressure on development and provides a strategy to reverse the tide At once expository and prescriptive *The Curse of the Good Girl* is a call to arms from a new front in female empowerment Looking to the stories shared by the women and girls who attend her workshops Simmons shows that Good Girl pressure from parents teachers coaches media and peers erects a psychological glass ceiling that begins to enforce its confines in girlhood and extends across the female lifespan The curse of the Good Girl erodes girls ability to know express and manage a complete range of feelings It expects girls to be selfless limiting the expression of their needs It requires modesty depriving the permission to articulate their strengths and goals It diminishes assertive body language quieting voices and weakening handshakes It touches all areas of girls lives and follows many into adulthood limiting their personal and professional potential Since the popularization of the Ophelia phenomenon we have lamented the loss of self esteem in adolescent girls recognizing that while the doors of opportunity are open to twenty first century American girls many lack the confidence to walk through them In *The Curse of the Good Girl* Simmons provides a catalog of tangible lessons in bolstering the self and silencing the curse of the Good Girl At the core of Simmons s radical argument is her belief that the most critical freedom we can win for our daughters is the liberty not only to listen to their inner voice but also to act on it

The Kaleidoscope of Gender Joan Z. Spade, Catherine G. Valentine, 2008 This integrated comprehensive text provides an introduction to the sociology of gender. It creatively and clearly explains what gender is and is not and what it means to say that gender is socially constructed. *Team 19!*, 2003 **The Best Things to Do in New York** Caitlin Leffel, Jacob Lehman, 2006 What are 1001 things you should treat yourself and your guests to in New York City? Be serenaded by Cole Porter's piano at the Waldorf or hear Woody Allen play clarinet at the Carlyle. Drink champagne on the roof of the Metropolitan Museum or discover the abandoned subway station at City Hall. Eat at America's very first pizzeria or enjoy the most expensive cocktail in the country at the World Bar. Ride the Staten Island Ferry or ride a bike through Central Park. Go surfing out at Rockaway Beach or relax in a Russian bath in the East Village. Organized by theme including Eating and Drinking 24 hour New York Shopping and Spending Arts and Culture Views and Sites the Great Outdoors and Classic New York and packed with detailed helpful indexes organized by neighborhood and by category this is simply the most fun and comprehensive guidebook to New York City ever. *The Best Things to Do in New York* crosses genres and boroughs to explore every aspect of the most diverse and exciting city in the world. Written from experience by two people who love the city and featuring priceless tips from expert contributors from authors on their favorite bookstores to architects on the city's best buildings. *The Best Things to do in New York* is much more than just a guide. **The Boys' Outfitter**, 1930 **The Best Halloween of All** Susan Wojciechowski, Susan Meddaugh, 2012 A young boy recalls all the Halloween costume agonies he's been through until at last he gets to do things his own way. *Playthings*, 1927 *The Best Holiday Crafts Ever!* Katharine Reynolds Ross, Kathy Ross, 1997 Get the best from our Holiday Crafts for Kids series in this collection of 76 favorite projects. Step by step instructions and follow along illustrations are presented for a whole year of holidays including Easter Kwanzaa Hanukkah Christmas Earth Day and Halloween. **The Best of Good Apple Newspaper** Good Apple Newspaper, 2000-12

Diversity, Inc. Pamela Newkirk, 2019-10-22 One of Time Magazine's Must Read Books of 2019. An award winning journalist shows how workplace diversity initiatives have turned into a profoundly misguided industry and have done little to bring equality to America's major industries and institutions. Diversity has become the new buzzword championed by elite institutions from academia to Hollywood to corporate America. In an effort to ensure their organizations represent the racial and ethnic makeup of the country industry and foundation leaders have pledged hundreds of millions of dollars to

commission studies launch training sessions and hire consultants and diversity czars But is it working In Diversity Inc award winning journalist Pamela Newkirk shines a bright light on the diversity industry asking the tough questions about what has been effective and why progress has been so slow Newkirk highlights the rare success stories sharing valuable lessons about how other industries can match those gains But as she argues despite decades of handwringing costly initiatives and uncomfortable conversations organizations have apart from a few exceptions fallen far short of their goals Diversity Inc incisively shows the vast gap between the rhetoric of inclusivity and real achievements If we are to deliver on the promise of true equality we need to abandon ineffective costly measures and commit ourselves to combatting enduring racial attitudes
