NEW IN PAPERBACK The Handbook of Marketing is different that Barton Weitz and Robin Wensley are its editors should suggest something out of the ordinary A glance at the contributors e.g. Wilkie Webster Day Shocker Keller Hauser Winer Stewart Parasuraman Zeithaml puts the matter to rest The Handbook is an extraordinary effort The blurb on the dust jacket is an understatement the Handbook will be invaluable to advanced undergraduates graduate students academics and thoughtful practitioners in marketing the book is far more than that in short the Handbook is probably invaluable to all academic researchers Journal of Marketing Handbook of Marketing is a rich compilation of thorough reviews in the field of marketing management The editors have selected premier marketing scholars and have given them the opportunity to examine their area of expertise in a format much less confining than those provided by the major journals in the field The authors have taken this opportunity and have done an outstanding job not only of reviewing and structuring the extensive body of thought in many major areas of marketing management but also of providing valuable suggestions for further research They have brought together major contributions from the field of marketing and from other related disciplines I strongly encourage marketing scholars to consider Handbook of Marketing The text will certainly appeal to those with interests in marketing management it may also be useful to those who are more focused on methodological issues but interested in topics that need additional rigorous investigation In summary Weitz and Wensley should be congratulated for the excellent work in developing Handbook of Marketing The book fills a major void in the marketing literature on marketing management and will serve the discipline for many years to come Journal of Marketing Research This text achieves the rare goal of covering marketing clearly and deeply with no unnecessary examples or pretty pictures For the enquiring mind it is a wonderful link between a basic knowledge of marketing concepts and a grasp of where research in marketing is taking us Ken Simmonds Emeritus Professor of Marketing and International Business London Business School The Handbook of Marketing presents a major retrospective and prospective overview of the field of marketing and provides a landmark reference at a time when many of the traditional boundaries and domains within the marketing discipline have been subject

to change A high calibre collection compiled by an international and extremely distinguished advisory board of marketing academics With contributions from leading scholars in the field each covering the latest research issues in particular areas of expertise Each chapter provides the necessary background for study and research of specific empirical and theoretical topics in marketing The Handbook of Marketing will be invaluable to advanced undergraduates graduate students and academics in marketing International Advisory Board Sonke Albers Christian Albrechts University of Kiel Germany Erin Anderson INSEAD France Rick Bagozzi Rice University USA Patrick Barwise London Business School Rod Brodie University of Auckland Anne T Coughlan Northwestern University George Day University of Pennsylvania Lars Gunnar Mattsson Stockholm School of Economics Hubert Gatignon INSEAD France H kan H kansson The Norwegian School of Management Stephen J Hoch University of Pennsylvania USA Kevin Keller Dartmouth College USA Donald Lehmann Columbia University USA Gilles Laurent HEC France Leonard Lodish University of Pennsylvania Richard Lutz University of Florida David Midgley INSEAD France David Montgomery Stanford University USA William Perreault University of North Carolina USA John Roberts Stanford University USA Allan Shocker University of Minnesota Piet Vanden Abeele Vlerick Leuven Gent Management School Belgium Russell Winer University of California Berkeley USA Dick Wittink Yale School of Management USA Editor & Publisher ,1913 **General Motors World** ,1930 Printers' Ink; the ...
