The Customized No No-Nos Weight Loss Plan Holly Bergeim, 2001-09 No pain no pills no no nos no drawbacks no lifestyle changes rapid weight loss feeling good the whole time customize the plan to your needs with the doc s help and approval And prove to yourself that it can t fail What more can you want **The Ounces Countdown Weight Loss Approach** Patrick Hafner, 2010-04 Hafner helps pave the way for sensible realistic easy and lasting weight control He asserts that by doing half the things listed in this book progress should begin immediately *Practical Applications In Sports Nutrition - BOOK ALONE* Heather Fink, Alan Mikesky, Lisa Burgoon, 2011-07-26 Practical Applications in Sports Nutrition Third Edition provides students and practitioners with the latest sports nutrition information and dietary practices so they can assist athletes and fitness enthusiasts in achieving their personal performance goals This text not only provides the most current sports nutrition guidelines and research but also includes the tools and guidance necessary to most appropriately apply the information in the real world It demonstrates effective ways to communicate sports nutrition messages to athletes and how to motivate individuals to make permanent behavior change Early chapters provide an introduction to sports nutrition and give a thorough explanation of macronutrients micronutrients and water and their relation to athletic performance Later chapters focus on the practical and applied aspects of sports nutrition including behavior change through consultations and weight management Chapter 15 targets the unique nutrition requirements of special populations such as athletes who are pregnant vegetarian or have chronic diseases The text concludes with a chapter dedicated to helping readers discover the pathway to becoming a sports dietitian through education and experience **Feminist Theology and Contemporary Dieting Culture** Hannah Bacon, 2019-08-08 Hannah Bacon draws on qualitative research conducted inside one UK secular commercial weight loss group to show how Christian religious forms and theological discourses inform contemporary weight loss narratives Bacon argues that notions of sin and salvation resurface in secular guise in ways that repeat well established theological meanings The slimming organization recycles the Christian terminology of sin spelt Syn and encourages members to frame weight loss in salvific terms These theological tropes lurk in the background helping to align food once more with guilt and moral weakness but they also mirror to an extent the way body policing techniques in Christianity have historically helped to cultivate self care The self breaking and self making aspects of women s Syn watching practices in the group continue certain features of historical Christianity serving in similar ways to conform women s bodies to patriarchal norms while providing opportunities for women s self development Taking into account these tensions Bacon asks what a specifically feminist theological response to weight loss might look like If ideas about sin and salvation service hegemonic discourses about fat while also empowering women to shape their own lives how might they be rethought to challenge fat phobia and the frenetic pursuit of thinness As well as naming as sin principles and practices which diminish women s appetites and bodies this book forwards a number of proposals about how salvation might be performed in our everyday

eating habits and through the cultivation of fat pride It takes seriously the conviction of many women in the group that food and the body can be important sites of power wisdom and transformation but channels this insight into the construction of theologies that resist rather than reproduce thin privilege and size ist norms
