### **Film History An Introduction 3rd Edition:**

**Film History: An Introduction** Kristin Thompson, David Bordwell, 2010 This book introduces the history of film as it is presently conceived, written and taught by its most accomplished scholars. However, this book is not a distillation of everything that is known about film history.

**Looseleaf for Film History: An Introduction** David Bordwell, Kristin Thompson, 2011-05-23 Written by two of the leading scholars in film studies, *Film History: An Introduction* is a comprehensive global survey of the medium that covers the development of every genre in film from drama and comedy to documentary and experimental. As with the authors' bestselling *Film Art: An Introduction*, now in its eighth edition, concepts and events are illustrated with frame enlargements taken from the original sources, giving students more realistic points of reference than competing books that rely on publicity stills. The third edition of *Film History* is thoroughly updated and includes the first comprehensive overviews of the impact of globalization and digital technology on the cinema. Any serious film scholar, professor, undergraduate, or graduate student will want to read and keep *Film History*. Visit the author's blog at <http://www.davidbordwell.net/blog>.
