Organizational Behavior Paper

Fred Luthans

Organizational Behavior Paper:

Research in Organizational Behavior, 1990 *Working Paper* Yale University. School of Organization and Management, 1990 *Unethical Pro-Organizational Behavior. The Role of Loyalty in Ethical Leadership* Ilka Bükér, 2016-08-03 Bachelor Thesis from the year 2016 in the subject Business economics Business Management Corporate Governance grade 1.7 University of Cologne language English abstract Leaders act as mediators between an organization and its employees They are agents of the organization and have a role model function for their followers Since leaders play a significant role in motivating ethical behaviour of their subordinates most scholars have focused on the consequences of leader behaviour on their followers However it is more complex and therefore ethical behaviour should be determined in a first step Imagine a situation in which someone detects a colleague hiding information about the environmental pollution of a new production process Is it ethically right to collaborate and be loyal to the colleagues and protect the entire organization Or is it ethically right to tell the truth to supervisors or the public to protect the environment and a larger society What about a situation in which someone observes a co worker manipulating sales numbers that are necessary to achieve group targets Is it ethically right to collaborate and maintain silence Or is it ethically right to tell the truth even though group objectives cannot be achieved by being honest What if jobs are related to achievement of objects and are possibly cut in case of not obtaining these targets Imagine a situation in which someone withholds relevant information about a customer to other members of the organization who do not work on the same team Is it ethically right to deprive these information in order to give an edge to the in group Or is it ethically right to share those details across all colleagues who hold a stake in order to improve the overall performance What is perceived as ethically right wrong or desirable differs across cultures organizations individuals and situations In contrast to the leader perspective of previous scholars and considering those differences Fehr Yam and Dang took a follower centric perspective on ethical leadership Within their novel conceptualization of ethical leader perception moralized leader behaviour can entail value consistent behaviour depending on what is morally relevant to an individual and the organizational culture If ethical leader behaviour is subject to moral values of an individual or of the organization it depends on either the organization and the leader s behaviour or the moral identity of a follower and the leader s behaviour if this behaviour is perceived as ethically right or desirable
