*Return to Spirit* Christopher B. Soltis, 2019-07-16 Life doesn't come with an instruction manual. We are all born with different circumstances and opportunities and learn from our mistakes and experiences. The knowledge and wisdom gained are invaluable and make us stronger in mind, body, and Spirit. Chris details navigating obstacles of alcohol and drug abuse, severe depression, heart break, and loss from a long-term relationship, being near bankruptcy, and just about wanting to throw in the towel altogether. The only way out is through. This book gives his personal account of spontaneous Kundalini Awakening, which is the physiological mechanism of union of mind, body, and Spirit. Through a disciplined approach to wellness, yoga, and self-inquiry on such topics relating to Spirit, yoga, culture, society, history, philosophy, psychology, relationships, religion, freedom, genetics, evolution, mathematics, numerology, science, energy, astrology, love, paradise, eternity, consciousness, and the universe, Chris established the connection with the subtle body through his energy centers, chakras. His story is there to assist any reader in making the same connection and progressing on the path of spiritual growth and development.

**The Nordic Adventure** Dr. Author O. Wright, 2022-11-16 *The Nordic Adventure: An Enlightening Introduction to Scandinavia* is a distinctively powerful traveler's memoir which captured some of the enthralling and sometime challenging experiences of both Author and Celesta, husband and wife, who spent twelve exciting days touring Denmark, Norway, Sweden, and Finland. Certainly, this intriguing traveler's memoir captured some of the exciting and heartwarming experiences this loving couple had as they traveled from their home state of New York and privately toured the cities of Copenhagen, Oslo, Flam, Bergen, Stockholm, and Helsinki. Although the introduction to each of these Nordic countries was very brief, this loving husband and wife had magnificent sightseeing opportunities. All of the Nordic cities visited were aptly equipped with very knowledgeable tour guides who were brilliant in acquainting us with the social, political, cultural, and religious aspects of their city. Hence, this husband and wife were able to see the splendor and beauty of each of those fascinating cities. We walked through various sections of the inner cities and saw gorgeous parks and flower gardens. We saw beautiful and excited children enjoying their day at play. We also saw beautiful homes and neighborhoods. We saw the beauty of a peaceful people. Unquestionably, touring the capital cities of Denmark, Norway, Sweden, and Finland was a marvelous delight to us. After these countries had been described to us as a romantic land of beautiful hills and mountains and a gorgeous landscape, we discovered that the delights of Scandinavia were even more exciting. It was indeed a land of romance. Certainly, asking pertinent questions about the customs and mystique of each country, we feel much more informed about those Nordic countries and their people. After twelve exciting days of Scandinavian touring, we feel much more enlightened on the customs of these beautiful Nordic people. Last of all, our joyous visit to these Scandinavian countries was a joyful learning experience for both of us. We now understand more fully what is meant when one says that the Scandinavian people lived under the concept of the Nordic welfare model. Above all, we had a delightful, fun-filled Nordic adventure. To God be the
