most traded security on the planet and the subject of intense media coverage The Revolution That Wasn't is the riveting story of how the meme stock squeeze unfolded and of the real architects and winners of the GameStop rally Drawing on his years as a stock analyst at a major bank Jakab exposes technological and financial innovations such as Robinhood's habit forming smartphone app as ploys to get our dollars within the larger story of evolving social and economic pressures The surprising truth What appeared to be a watershed moment a revolution that stripped the ultra powerful hedge funds of their market influence placing power back in the hands of everyday investors only tilted the odds further in the house's favor Online brokerages love to talk about empowerment and democratizing finance while profiting from the mistakes and volatility created by novice investors In this nuanced analysis Jakab shines a light on the often misunderstood profit motives and financial mechanisms to show how this so called revolution is on balance a bonanza for Wall Street But Jakab argues there really is a way for ordinary investors to beat the pros by refusing to play their game *I Took Advice from Reddit for a Week (I Regret Everything)* Jim Mars, 2025-06-21 One man decided to find out and paid the price in emotional instability butter based hallucinations a lost eyebrow and a microwave disaster that may have summoned spirits Armed with nothing but blind faith in anonymous users with anime avatars he let Reddit dictate seven straight days of his life career relationships diet finances grooming cooking even his mental health The results Hilarious Terrifying Weirdly relatable Inside you'll discover The productivity Life Pro Tip that almost got him fired by 9:30 AM Why investing based on r/WallStreetBets left his bank account in shambles and why karma didn't pay the rent How Reddit nearly ruined his relationship over a pizza topping What happened when he biohacked his brain with buttered coffee and ice water His attempt to start a side hustle in 24 hours with Canva zero followers and rising panic The eyebrow incident that still haunts him A meal so cursed it should be illegal in three countries The 20 most unhinged pieces of Reddit advice ever posted ranked by chaos And the final truth what happens to your sanity when you crowdsource your life to the internet It's not just a comedy of errors it's a brutally honest social experiment This isn't a feel good self help guide or another how I found enlightenment memoir This is a brutally funny raw and surprisingly insightful journey through the bizarre world of internet advice one reckless day at a time If you've ever Fallen down a Reddit rabbit hole and questioned reality Tried a life hack you deeply regretted Wondered what your life might look like if strangers on the internet called the shots Then this book is your mirror and your warning label Dare to read it but maybe don't try it at home *Hey AdmissionsMom* Carolyn Allison Caplan, 2019-03-20 ARE YOU STRESSED OUT AND TESTED OUT ARE YOU LOOKING TO APPROACH COLLEGE ADMISSIONS IN AN HONEST AND MINDFUL WAY Discover what over 100,000 engaged r/ApplyingToCollege subscribers are learning as they discuss a fresh approach to college admissions With Hey AdmissionsMom Real Talk from Reddit Carolyn and the community from the subreddit r/ApplyingToCollege give you a place to stop trying to figure out what your top schools want in you and instead ask yourself What do I want out of life when I leave high school What do I see for myself Here's what Carolyn aka AdmissionsMom knows

You're a talented interesting student and when you really know who you are you're going to make the best decisions for yourself and for your college applications. Maybe you're just starting the college admissions journey and maybe you're overwhelmed by the paperwork, school descriptions, test score requirements, extracurricular activity options, and the daunting task of figuring it all out without losing yourself. Or maybe you've already started the college admissions process and you feel okay about your applications but you're struggling with the personal statement or essays. Or perhaps you want permission not to be a carbon copy of the ideal student and want out-of-the-box ways to be yourself both in life and in the admissions process, and you're not just managing your expectations but you're also managing your parents and their expectations. College admissions can be especially intimidating if your high school sucks, you're first in your family to go to college, or you haven't always been a model student. You might also be a concerned parent or mentor looking for a guide designed specifically not to stress you and your kid out, and one that might even help dealing with admissions anxiety as you learn the ropes of college admissions. For all the times you've worried about how heinous colleges' admissions is, shaken your head about how it's all about high performance achievement and crazy amounts of extracurriculars, and you've thought, "There has to be a better way," you were right. You just found it. [Best of R/](#) Dan Chambers, 2019-08-18. She actually said, "Or else like a damn cartoon villain: 'You are going to date my daughter, and that's final. You are not alone. All over the world, people have had that same experience, and worse, posting their tales on Reddit that are so shocking and hilarious they've become internet sensations, garnering untold millions of readers, upvotes, and views on video platforms. Perfect for quick reads during a lunch break or on the train to work. Best of R is an anthology series of some of the most bizarre people and situations you could ever encounter in everyday life and how best to deal with them, including Entitled Parents, paternal figures who believe their child is a special, unblemished snowflake, too good for this world while the rest of us just exist to serve; Choosing Beggars, people who want to have their cake, eat it too, and to take home your silverware while they're at it; Pro Revenge, all your daydreams about that one crazy ex or giving your boss just what he deserves, carried out to perfection. *Reddit's Architect: The Genius of Steve Huffman* Porter H Harris, 2024-07-11.
