

Isolationism was related to being anti-war in general, aside from in self-defense, but it was not exactly the same. Recall a good percentage of Colonial Americans were Loyalists during the Revolution, and were therefore against the Revolutionary War, but not necessarily "isolationists." During the War of 1812, the Federalists, based in New England, tended to be anti-war while the Demo-Rep.s, led by James Madison, were pro-war. Famous names against the Mexican-American War were Charles Sumner, Frederick Douglass, William Lloyd Garrison and Henry David Thoreau. During the Civil War, the Mayor of New York City was against the war, as were the 'Copperheads,' a large segment of the Northern population. This group grew dramatically when the draft was instituted by Lincoln. 'Isolationism,' as such, really began with the Spanish-American War. Isolationists argued the U.S. should not intervene in issues going on elsewhere. Former President Grover Cleveland, Mark Twain and Andrew Carnegie argued against war with Spain, and the annexation of the Philippines. Opponents of intervention in WWI were Henry Ford, Eugene V. Debs and Jane Addams, who organized a women's opposition movement that numbered in thousands of members. Now, before WWII, not only Henry Ford but Charles Lindbergh, Father Coughlin and future President John F. Kennedy, a college student at the time, opposed intervention. In fact, 93% of Americans polled in 1940 reported not wanting to go to war with Germany, Italy or Japan. Among them was the most decorated soldier in American history, Maj. Gen. Smedley Butler, whose 1935 book *War is a Racket* shocked the country and prompted an investigation into why the U.S. got into WWI. This is very relevant to today, because the country is divided on the same issue- should we intervene in Ukraine, Gaza, Iran, or Taiwan? In your opinion, what is the best way forward?

- a. Stay out completely      b. Provide weapons but not boots on the ground      c. Send U.S. troops
