EBK: Services Marketing: Integrating Customer Service Across the Firm 4e Alan Wilson, Valarie Zeithaml, Mary Jo Bitner, Dwayne Gremler, 2020-10-07 Successful businesses recognize that the development of strong customer relationships through quality service and services as well as implementing service strategies for competitive advantage are key to their success. In its fourth European edition, *Services Marketing: Integrating Customer Focus across the Firm* provides full coverage of the foundations of services marketing, placing the distinctive Gaps model at the center of this approach. The new edition draws on the most recent research and uses up-to-date and topical examples; the book focuses on the development of customer relationships through service, outlining the core concepts and theories in services marketing today. New and updated material in this new edition includes new content related to human resource strategies, including coverage of the role of robots and chatbots for delivering customer-focused services. New coverage on listening to customers through research, big data, netnography, and monitoring user-generated content. Increased technology, social media, and digital coverage throughout the text, including the delivery of services using mobile and digital platforms as well as through the Internet of Things. Brand new examples and case studies added from global and innovative companies, including Turkish Airlines, Volvo EasyJet, and McDonald's. Available with McGraw-Hill's Connect, the well-established online learning platform which features our award-winning adaptive reading experience as well as resources to help faculty and institutions improve student outcomes and course delivery efficiency.

Navigating the Whitewater Rapids of Entrepreneurial Success Bret Golann, 2016-10-24 This book provides entrepreneurs with a clear, specific road map to successful business and growth management, explaining the vital details of techniques for executing changes in day-to-day business operations to handle rapid business growth. For many entrepreneurs, the transition from start-up to rapid growth is the most difficult and risky time for them and their companies. Failure to manage business growth occurs not because entrepreneurs choose the wrong growth strategy; it's because leaders and employees fail to execute the right internal strategies to scale up business operations to handle market success. This book explains how to overcome the two fundamental challenges facing successful entrepreneurs as their businesses grow: how to develop the efficiency, reliability,

and cost control of a successful company given the common constraints of too little time and too few resources such as money and people and how to achieve these essential attributes of business performance without losing the entrepreneurial creativity and spirit that made them successful in the first place Readers will learn why so many smart entrepreneurs fail in managing business success and growth as well as how to change day to day leadership approaches and techniques in moving from fledgling start up to the rapid growth stage that involves many more expectations from employees customers and investors The book serves as a how to guide for leading growth that demonstrates how to execute internal growth strategies to develop the needed flexible systems performance measures management techniques and rewards and risk management strategies
