Fanshawe Nathaniel Hawthorne,2020-04-07 While he had written many short stories

before Fanshawe was Nathaniel Hawthorne's first attempt at writing a novel. The novel is based on his experiences at Bowdoin College in the early 1820s and Hawthorne published the novel himself anonymously in 1828. A commercial failure, Nathaniel Hawthorne's contempt for his first novel can be seen in his efforts to destroy every copy of it. All unsold copies were burned and later all copies that were sold that could be obtained met the same fate. Twelve years after Hawthorne's death a copy was discovered and finally republished. In an ancient though not very populous settlement in a retired corner of one of the New England States arise the walls of a seminary of learning which for the convenience of a name shall be entitled Harley College. This institution though the number of its years is inconsiderable compared with the hoar antiquity of its European sisters is not without some claims to reverence on the score of age for an almost countless multitude of rivals by many of which its reputation has been eclipsed have sprung up since its foundation. At no time indeed during an existence of nearly a century has it acquired a very extensive fame and circumstances which need not be particularized have of late years involved it in a deeper obscurity. There are now few candidates for the degrees that the college is authorized to bestow. On two of its annual Commencement Days there has been a total deficiency of baccalaureates and the lawyers and divines on whom doctorates in their respective professions are gratuitously inflicted are not accustomed to consider the distinction as an honor. Yet the sons of this seminary have always maintained their full share of reputation in whatever paths of life they trod. Few of them perhaps have been deep and finished scholars but the college has supplied what the emergencies of the country demanded a set of men more useful in its present state and whose deficiency in theoretical knowledge has not been found to imply a want of practical ability.

Icon of the Indecisive Mina Esquerro, 2013-06-07 Book 3 of the Interim Goddess of Love trilogy older YA new adult sweet romance College student Hannah Maquiling also temporarily working as the Goddess of Love has had enough of everyone asking for her help when it comes to relationships. It's her turn to find romance. She deserves it after serving as matchmaker and confidant to everyone else in Ford River College for the past year. She's had a crush on handsome senior and God of the Sun Quin forever but he's destined to fall in love with an extraordinary mortal woman so she's figured her chances with him have pretty much dropped to zero. It's not like she doesn't have any options for a classic college romance though. There's Diego God of the Sea and Quin's best friend enemy and regular guy Robbie is stepping up making sure she knows how he feels about her. How hard can it be for a goddess to find someone to love and be loved in return. Visit the author's blog minavesguerra.com to get the Interim Goddess of Love trilogy free audio commentary.

[The Marble Faun](#) Nathaniel Hawthorne, 2020-04-12 The fragility and the durability of human life and art dominate this story of American expatriates in Italy in the mid nineteenth century. Befriended by Donatello a young Italian with the classical grace of the Marble Faun Miriam Hilda and Kenyon find their pursuit of art taking a sinister turn as Miriam's unhappy past precipitates the present into tragedy. Hawthorne's International Novel dramatizes the confrontation of the Old World and the New and the uncertain relationship between the authentic and the fake in life as in art. The author's evocative descriptions of

classic sites made *The Marble Faun* a favourite guidebook to Rome for Victorian tourists but this richly ambiguous symbolic romance is also the story of a murder and a parable of the Fall of Man As the characters find their civilized existence disrupted by the awful consequences of impulse Hawthorne leads his readers to question the value of Art and Culture and addresses the great evolutionary debate which was beginning to shake Victorian society *Audrey's Mr. Darcy* Paula Freda, 2015-03-07 Audrey Lambert is a self sufficient woman newly appointed as Manager of a Financial Consulting Department Tall sophisticated and well educated she hides well the simple dreamer within who finds immense joy seated in a window alcove reading the journals of her great grandmother s adventures and romance as she traveled with her husband in search of rare artifacts often mysterious and mystical To everyone Audrey appears unattainable especially to one of the financial consultants under her supervision who considers himself cursed because his name is William Darcy from a long line of Darcys that had nothing whatsoever to do with Jane Austen s Mr Darcy What s worse he resembles to a tee the popular actor who portrayed the character in the movie based on Austen s novel Inevitably most women who date him insist on comparing him with the character to their eventual disillusionment He doesn t have an English accent born and bred in a small hamlet on Long Island New York a nice town with trees and malls buses and trains and taxicabs He isn t as tall or as confident or as proud of bearing and not one hundredth of a percent as rich as the fictional Fitzwilliam Darcy One disappointed woman actually told him he had no right facially to resemble Austen s Darcy She suggested plastic surgery If only he could find a girl who dislikes Austen s Mr Darcy That s as improbable as finding a needle in a haystack To his edification he learns that Audrey dislikes the Darcy character preferring looks akin to Bronte s Edward Fairfax Rochester Attracted to Audrey Wil is prepared to go to all lengths even to growing his hair longer dyeing it black wearing elevator shoes to add more height to his 5 11 and dressing in apparel a mix between respectable 18th century and cool contemporary He is mortified when he reads the controlled laughter in Audrey s eyes But surprised soon after at her request that he accompany her on an archaeological trip Her trip has to do with company business and a multi millionaire s account Audrey tells Wil that she considers him one of the best and most conscientious worker in the department He is honored and sees a glimmer of hope for his chance to win her affections Excerpt Wil turned on his back and opened his eyes He groaned with relief glad the dream was over and he was awake He wasn t overly fond of this dream As a child the occasional recurring dream terrified him As a teen it had made him wonder what was going on in his subconscious As an adult it made him speculate Perhaps he should visit a psychologist The setting wasn t always the same but it evoked the same feelings not fear any longer yet strange He didn t actually see himself but he felt the tentacles and he knew they were his arms and legs That was the weird part of the dream The part that he didn t mind at all was the woman who stood on the dais Her flowing garment was sheer and spun from silk and she wore a gold ankh pendant across her chest and a golden diadem with an ostrich feather at the front on her straight black hair Behind her was a royal throne garbed in red silk Wil had long since deduced she was an Egyptian Queen
