The Final Battle for Earth Obinna C. D. Anejionu,2022-08-18 The Final Battle for Earth presents events contained in the Book of Revelation a 2000 year old prophetic book in the Holy Bible as a well orchestrated divine plan to take over the control of the earth from Satan This final battle to crush Satan and his minions will be accompanied by a series of cataclysmic natural and anthropogenic events hunger economic crisis war pandemics and unprecedented natural disasters that may be attributed to climate change There is a consensus that the earth is facing a dangerous future The United Nations projects that almost half of humanity is at risk of dying While the scientific community link this danger to climatic impacts many Christians believe that the end of age is imminent Cryptic details of the events surrounding the Second Coming of Christ and end of age carefully hidden in the Revelation predict a series of catastrophic events that will cause the death of over half of the world s population The Final Battle for Earth thoughtfully outlines the end time events and challenges long held ideas and theories concerning the end time especially those surrounding the fall of Satan the great tribulation the rapture the first resurrection the Battle of Armageddon and what is expected of Christians during the end time

The Sequence Steven R. Bates,2024-08-30 Sometimes the best way to let one know what something is is to let one know what it isn t Today s typical academic book in eschatology provides the reader with a brief history of the various positions in the field followed by why certain positions should be considered the better options This is not that book Over the course of twelve chapters six sequences will be presented from the three major sources in the New Testament regarding the subject i e Paul s letters to the Thessalonians the Olivet Discourse and John s visions in Revelation Through a careful reconciliation of those six sequences Dr Steven R Bates will show that there s only one sequence of end times which he has labeled The Post Armageddon Premillennial Resurrection He asserts that had any other sequence of end times been correct whether pre tribulationism pre wrath mid tribulationism historic pre millennialism post millennialism a millennialism preterism or any other sequence that one could possibly imagine then the proponents of that postulation should be able to take the same six sequences from Scripture and reconcile them precisely with one another sentence by sentence and prove whatever sequence they propose But of course no one will ever attempt such an endeavor because it s theoretically impossible Scripture s six sequences only confirm one

sequence and it is the one which has been presented in The Sequence **A Literal Interpretation of the Messages Delivered to Daniel** Dr. Albert Heaney,2021-09-09 After completing a detailed study of the Book of Revelation and then writing the book entitled The Revelations and Warnings of Jesus to His Church I was challenged by claims of modern day scholars that additional revelations and modifications of some of the material found in the Book of Revelation could be found in the Book of Daniel After my study of the Book of Revelation I came to the conclusion that the Book of Revelation which deals primarily with end time events is a complete book as it stands All the major events that will occur in the end times is listed and the Book of Revelation as written is complete no modifications or additions are needed The book itself contains a warning that if anyone adds to or takes away from the words of this prophecy God will take away his part from the tree of life Rev 22 18 19 A study of the Book of Daniel was necessary so as to discover the true messages found in the book and dispel the false messages some have claimed can be found in the book The Book of Revelation clearly deals with end time events whereas the Book of Daniel deals primarily with the events of God s people in Daniel s day Although there are some general references to end time events the primary focus of the Book of Daniel deals with events of Daniel s day The book shows the intimate relationship God has with His people as they go through the tragic times of their day He first warns His people then redeems them in the time of their deepest needs 2 **Outline Studies in the Books of the Old Testament** William Gallogly Moorhead,1893 **Understanding the Book of Revelation** D. Min. David Baxley,2018-05-14 The Book of Revelation has long been thought of as a formidable and confusing work understandable to only elite bible scholars But like its very name Revelation understanding of this seemingly complex book is available to all God has even promised a special blessing to those who read it David Baxley D Min has broken down the perceived barriers and written a simple verse by verse commentary that is understandable to even beginning bible students It includes maps a chronology of end time events and wars definitions and cross references to Old Testament scriptures that point to the time of the end He also includes discussion of sections that are still not fully understood or defined with possible varying interpretations Revelation readers can get bogged down in the symbolism and sensationalism of the judgment and miss the main message of the book It s a book of hope in the return of Jesus Christ and His perfect rule that will bring an end to evil and injustice and believers will live with God forevermore A bible student for over 50 years and pastor for over 40 Dr David Baxley has studied and taught the Book of Revelation extensively While in the hospital recovering from a heart transplant he realized that the sequence of end time events was still not clear in his mind so he spent the next two years in intense study This book is the result of that study **Leaves of Healing** ,1930 End-time Events Charles Capps,1997 In this revealing and prophetic look at Gods Word bestselling author Charles Capps opens the Scriptures surrounding the end of the age Pinpointing Gods plan for the events that will end this world as we know it this exciting book brings to light types and scriptural composites which God has hidden in the Bible for this generation **Endtime** ,1999 *Revelation* Brian Lochbrunner,2024-03-15 The Book of

Revelation has been and continues to be a subject of debate and discussion. Numerous scholars and theologians have studied and dissected it. Men have given speeches and written volumes on this one book of the Holy Bible. Revelation contains secrets of both the past and the future of and for all humanity. These secrets were exposed by the One Who held them and the One Who controls all. Jesus Christ in His revelatory oration to His Apostle John while John was imprisoned on the Isle of Patmos. From the moment Jesus begins to describe Himself to the last word He gives to the angel of the Seventh Church we are mesmerized by the beauty of His speech as well as grieved by the failures of mankind. We cannot help but to be drawn into the poetry with which our Savior speaks. Nor can we deny that His words as weighty as they may be are merciful, loving, holy, true, faithful, and just. It is in the pages of Revelation that we find Jesus speaking specifically of the seven types of churches, a woman riding an odd-looking beast, disobedient angels, super-natural bugs, and an army of demons. You will be drawn in from the first chapter. Brian Lochbrunner's *REVELATION: A Study of the Events of the End Times* is more than a light reading. With a genuine desire to reach lost souls, he has offered up years of study for your scrutiny and perusal. May you also come to the one and only conclusion in this book: Humanity's sinful nature and desperate need for a redeeming Savior is found met and complete in Christ Jesus, our Lord. Amen.
