Friction Project Robert I. Sutton,Huggy Rao,2024-01-30 The definitive guide to eliminating the forces that make it harder
more complicated or downright impossible to get things done in organizations Find out why Adam Grant says If every leader
took the ideas in this book seriously the world would be a less miserable more productive place Every organization is plagued
by destructive friction Yet some forms of friction are incredibly useful and leaders who attempt to improve workplace
efficiency often make things even worse Drawing from seven years of hands on research The Friction Project by bestselling
authors Robert I Sutton and Huggy Rao teaches readers how to become friction fixers Sutton and Rao kick off the book by
unpacking how skilled friction fixers think and act like trustees of others time They provide friction forensics to help readers
identify where to avert and repair bad organizational friction and where to maintain and inject good friction Then their help
pyramid shows how friction fixers do their work from reframing friction troubles they can t fix right now so they feel less
threatening to designing and repairing organizations The heart of the book digs into the causes and solutions for five of the
most common and damaging friction troubles oblivious leaders addition sickness broken connections jargon monoxide and
fast and frenzied people and teams Sound familiar Sutton and Rao are here to help They wrap things up with lessons for
leading your own friction project including linking little things to big things the power of civility caring and love for
propelling designs and repairs and embracing the mess that is an inevitable part of the process while still trying to clean it up
