The study of the modern African novel has been quite a challenge both at the high school and at the university level This is especially so for novels that address traditional tenets of the African society These novels however form a good corpus as a basis for comparative literature especially looking at the African novel as compared to its European or the American counterpart Still the ordinary critic is used to earlier African writers including Ngugi Achebe Soyinka and the rest Margaret Ogola presents a challenging novel in *The River and the Source* because it examines the modern African society This critical book of this novel affords the reader all the necessary angles from which this novel can be seen including Plot Character Themes and Elements of Style It goes further to examine common ways of examining the novel by giving excerpt and essay questions and explaining in detail how such questions should be approached The book focuses on the national exam in Kenya the Kenya Certificate of Secondary Examination through which candidates matriculate and qualify for entry to the university This however should give a good insight to any candidate worldwide regardless of the examination they are supposed to sit for The book looks at the division of time as well as thinking how to earn marks and ensuring the candidate gains as much as possible of what is given These explanations will allow the candidate of a different examination to adjust depending on the time allowed and the marks given for questions in that particular examination This makes this book applicable to the student of the novel and the African novel in particular anywhere in the world *The Source Book Volume 1*, 1926 *The Source Book* William Francis Rocheleau, 1926 *Black African Literature in English, 1997-1999* Bernth Lindfors, 2003 This volume lists the work produced on anglophone black African literature between 1997 and 1999 This bibliographic work is a continuation of the highly acclaimed earlier volumes compiled by Bernth Lindfors Containing about 10 000 entries some of which are annotated to identify the authors discussed it covers books periodical articles papers in edited collections and selective coverage of other relevant sources **A Study Guide to the River and the Source Margret Ogolla** Victor Makuto, 2016-08-16 *Hillsborough River Guidebook* Kevin McCarthy, 2011-02 The Hillsborough River which runs through Tampa Florida is a popular site for leisure activities Hillsborough River Guidebook features information on the wildlife and culture along the river as well as travel tips Includes photographs and maps **The**

Mississippi River and Its Source Jacob Vradenberg Brower, 1893 This volume of the Collections of the Minnesota Historical Society is devoted to a historical discussion by Jacob Vredenberg Brower 1844 1905 about the source and headwaters of the Mississippi River combined with his extensive hydrographic and topographic surveys Brower summarizes the major European and white American exploratory trips to the area Based on a scientific survey of the Itasca Basin that he made under the authority of the Minnesota Historical Society Brower concludes that the true source of the Mississippi is neither Itasca Lake nor Elk Lake nor even the stream discovered by Jean N Nicolet 1836 called Nicolet s Infant Mississippi River but the Greater Ultimate Reservoir which receives its water supply from aerial precipitation and stores it in various component lakes and springs Some of these lakes include Hernando de Soto the Triplets Whipple Morrison and Floating Moss the streams that proceed from them include the beginnings of the Nicolet as well as the Mississippi From Nicolet s middle lake the main river proceeds in an unbroken channel to the Gulf After lobbying successfully to have this headwater region preserved as Itasca State Park 1891 Brower served as its first commissioner The appendix includes an historical account of how the Mississippi and the Lake of the Woods came to form part of the northwestern boundary of the United States Its author was Albert James Hill 1823 1895 who was also instrumental in the creation of Brower s report
