

BRAYTON FAMILY HISTORY

THE AMERICAN PROGENITOR

1. FRANCIS BRAYTON is the name of the American immigrant progenitor for the Rhode Island Brayton lineage. Many of his descendants have assumed that he came to this country from England. As of this date, however, no documentation has been located to prove this assumption. As a matter of fact, all that we know about Francis Brayton is derived from public and official records of Portsmouth, R.I. His will, which was "proved" (probated) there 5 Sep 1692, provides us with the names of his wife, his surviving children and four of his grandchildren.

The records of a town meeting held at Portsmouth, R.I., on 28 Nov 1643, states that Francis Brayton "was received as an inhabitant, gave his engagement unto the government and propounded for a lot of land.". This record is the first evidence of his presence in this country.

A deed dated 25 Sep 1650 shows that Francis Brayton purchased a house and twelve acres of land in the Town of Portsmouth, R.I. from William Brenton for forty-nine pounds.

During 1655, Francis Brayton was admitted as a Freeman at Portsmouth, R.I.. He served as its Commissioner during 1662 and 1663. On 10 Aug 1667, he enlisted in a troop of horse.

A deed dated 20 July 1671 indicates that Stephen Burton, of Portsmouth, R.I., sold to Francis Brayton four acres of land for three pounds, five shillings, "New England silver".

Francis Brayton represented Portsmouth as its Deputy, during 1669, 1670, 1671, 1679 and 1684. He served as a member of the Grand Jury, in 1688.

On 6 Jan 1671, Francis Brayton made an agreement with his son-in-law, Joseph Davol, by which the latter, in behalf of his daughter, Mary Davol, was to pay her five pounds, at fifteen years of age, and said sum to be paid into hands of his father-in-law, Francis Brayton, if then living, and if Mary Davol died before fifteen, the sum of five pounds was to be set apart for use of Joseph Davol's son Joseph. The daughter Mary Davol was freely given and commended by her father to the care of Francis Brayton, during life of Mary's grandmother, or till Mary is married, and said Francis Brayton engages that at the time of his decease he will pay Mary five pounds.

On 30 Jan 1674, Francis Brayton testified under oath in a deposition that "he is called sixty-two years of age". This deposition would suggest that 1612 would be the probable date of his birth. Therefore, if we can accept the year 1643 as the approximate date of his arrival in America, he may have been married and had children prior to his coming here.
