

IBS BITU 307 A

Procedures taken from published documents

Objectives

1. Identify the objectives of the project

The objectives of the project are identified by the project manager, based on the project's purpose and the organization's strategy, and are used to guide the project's execution.

The project manager should be responsible for ensuring that the project's objectives are clearly defined and understood by all project team members, and that the project's progress is regularly monitored and reported to the project sponsor.
