

THE 50 COMPANIES WITH THE BEST CUSTOMER SERVICE

METHODOLOGY

Qualtrics XM uses a proprietary methodology to measure customer service performance. The methodology is based on a combination of quantitative and qualitative data. Quantitative data is collected through surveys, while qualitative data is collected through social media monitoring and customer feedback. The methodology is designed to provide a comprehensive view of customer service performance across a wide range of categories and industries.

American Customer Satisfaction Index (CSI) 2023

The American Customer Satisfaction Index (CSI) is a widely recognized benchmark for customer service performance. It measures customer satisfaction across a variety of industries and services. The CSI score is calculated based on a survey of customers, who are asked to rate their satisfaction with the company's customer service on a scale of 1 to 100. The CSI score is then compared to the scores of other companies in the same industry to determine the company's relative performance.
