*Venture Mathematics Worksheets: Bk. S: Statistics and Extra Investigations* Christian Puritz,2019-01-21 The author spent many years teaching at a selective school with the constant challenge of including the most able students whilst at the same time avoiding the danger of excluding the rest of a class. These blackline masters are the result; many of them include fairly routine work but each graduates to more difficult questions to provide a challenge for the really able. The answer sections provide guidance on these difficult questions.
