Undrafted Nick Kypreos, 2020-10-20 True stories and hard won lessons about a life of hockey from a Stanley Cup champion and top analyst As a child growing up in Toronto Nick Kypreos lived for hockey and dreamed of following in his idols footsteps to play in the NHL Hockey was an important part of the Kypreos household It was largely through the game that his immigrant Greek parents acclimatized to their new lives in Canada and from a young age Kyper proved he was more than good enough to move through the ranks But he was never a top prospect he didn't even attend the NHL draft when he became eligible And yet through dedication and constant improvement he made it to the show Kypreos built a career on his tireless work ethic and made a name for himself for always having a positive influence on team morale A medium weight fighter he squared off with the league's toughest players including Chris Simon Joey Kocur Tony Twist and Scott Stevens anything to give his team an edge Ultimately he was brought to the New York Rangers to help them win the Stanley Cup in 1994 their first in fifty four years with the legendary Mark Messier And then he got to live his other dream playing for his hometown team the Toronto Maple Leafs When a concussion forced him to retire early it changed his life But the lessons he learned on the ice over eight seasons helped him build a new career as a top hockey analyst and personality for Sportsnet For twenty seasons he provided unique insight on the evolving game and a player's perspective on the biggest discussions of the day Revealing fun and brutally honest Undrafted shows the challenges of being a pro player It's a story of the resilience it takes to prove yourself every night and how the right attitude can lead to the greatest success not only in the arena but in life
