Faith: The Link with God's Power Reinhard Bonnke,2014-03-03 God s Gift to All Believers Some believe that simply having faith is an entitlement to blessing and prosperity Others believe that faith in oneself is all that is needed in life Still others contend that faith is a cosmic force that breeds superhuman super spiritual invincible power It is none of these Faith is not something requiring you to believe in what you know is not true nor is it believing something for which there is no evidence The Bible a book all about faith provides the evidence that makes faith so vital so important and so astounding In Faith The Link with God s Power international evangelist Reinhard Bonnke draws from his years of personal study and vibrant ministry to reveal that Faith is like a wiring system that carries power into our lives Faith itself is not the power but it links us to the power source There is no link to God s power without faith Our belief in what happens tomorrow stems from what we already experienced yesterday It is not the size of your faith but the size of the God you believe in that determines the results Reinhard Bonnke is more qualified than most to shed light on what it means to minister in the power of the Holy Spirit He and his CfaN team regularly conduct gospel crusades in Africa where signs and wonders follow the preaching of the gospel In one six day crusade more than 1 600 000 people attended a single service with 3 450 000 making positive decisions for Christ over the course of the event Indeed these are days in which God s people can abound in faith *Living a Life of Fire* Reinhard Bonnke,2021-12-04 Living a Life of Fire is more than simple facts about an evangelist s life it is filled with adventures from the heart of Africa real life dramatic stories of people and places that will leave you on the edge of your seat and powerful demonstrations of the Holy Spirit working in the here and now An autobiography of the life of one of God s generals that has left a legacy that is still impacting nations today *Evangelism by Fire* Reinhard Bonnke,2011-08-09 The Gospel is not good news to people who do not hear it and an unpreached gospel is no Gospel at all In the New Testament we never read about God going forth on His own but that His followers went out and preached everywhere the Lord working with them In short God acted when they acted Evangelist Reinhard Bonnke has led millions of people into a life transforming encounter with God In *Evangelism by Fire* he lays out the principles necessary for effective evangelism showing how God operates through anyone who is willing to follow His plan The Gospel is as vital today as it was when Jesus walked the shores of the Sea of Galilee and nations urgently need the life giving message of the cross right now Filled with biblical principles prophetic messages and personal examples *Evangelism by Fire* will inspire you to bring the focus of your life and ministry back to the Great Commission **Hell Empty, Heaven Full** Reinhard Bonnke,2022-08-23 Every day millions of people who don t know Jesus Christ as their Savior move farther down the dark road to destruction But as international evangelist Reinhard Bonnke says hell was never designed for people and heaven is expecting them Tens of millions of people have come to know Christ through Reinhard s ministry In this book he shares his contagious passion for bringing the gospel to the lost Each chapter in *Hell Empty Heaven Full* discusses biblical stories that highlight how God s priority is saving people and how

He wants us to join Him in that process As Reinhard says Our calling is to put a kind hand on the shoulder of the world and turn it round to see God It will adore Him The Lord is the Savior He loves because to love gives Him joy He loves beyond all the parameters of human affection and makes even the assault of the cross an expression of His love His pain asserts it He finds satisfaction in giving pouring Himself out to us surrounding us with wonders making His redeemed the garden of delight in which He walks To proclaim the gospel is to move for Him act with Him love in Him and delight in His joy as the privilege meaning and purpose of all life Filled with vivid illustrations this book is designed to show you how to reach the lost as Jesus did with the passion and compassion of the heavenly Father

Translated! Sunny Isuekebhor,2013-09-01

Salvation the chief subject of the Christian faith is an inexplicably neglected subject in the subjects and contents of today s Christian literature consequently there is so little understanding about this foundation many church people don t know how to explain the new birth and an

astounding number of people in churches are not born again Now it seems good to the Holy Spirit and to us to write a timeless classic on this foundational area Translated is perhaps the most unique book so far written on salvation and fills a gaping void Translated reads like a terrific novel of distinct and yet uniquely connected stories it provides answers to many questions that have begged answers for generations How do the Words of Jesus connect with the happenings and news headlines in our world today Did Jesus address homosexuality terrorism wars and global warming Why did Jesus use the expression Ye must be born again Considering how important it is to be born again why did Jesus only use that expression when talking to Nicodemus Why did Jesus never use the words Born again after the night meeting with Nicodemus If to be born again is the most important ingredient of the Christian faith and if the New Testament is a continuation of the old why was the expression born again never used in the Old Testament How does the story of Zacheus in Luke exemplify translation What did Jesus want us to learn by giving salvation to the thief on the cross just before He gave up the ghost What connects the story of the woman of Samaria at the well with that of Zachues and the thief on the cross Have you ever wondered how some of the key leaders in the body of Christ all over the world got saved Why is it so important for people to make an open confession of their faith before they can be saved How do natural things help us understand the power of translation Why did Jesus use the word Kingdom more than 100 times in the gospels of Matthew Mark Luke John What is the difference between the power of darkness and the kingdom of God How can believers in Jesus discover their calling Why do some preachers make little or no emphasis on translation salvation and the kingdom of God How can I spot a false preacher or ministry Why should I believe in Jesus Why is salvation so scarce among celebrities **Charisma and Christian Life** ,2004-07
