Singapore in September 2010 The 28 revised full papers were carefully reviewed and selected from 112 submissions They are organized in topical sections on malware and email security anonymity and privacy wireless security systems security network security and security protocols **Be The Family "Computer Hero"** Darryl Hicks, This book is dedicated to the unsung heroes who provide technology support for the entire family As capable as they are even these heroes sometimes face cybersecurity questions My goal is to offer practical cheat codes for protecting your household from cyber crime and ideally prevent a bad day before it ever begins While the guidance applies to everyone the book focuses especially on safeguarding elderly parents and grandparents who may have a sizable nest egg but lack the skills to defend it from bad actors I won t assume you re a keyboard warrior fluent in cryptic command lines Instead you ll get a streamlined approachable education that goes well beyond the basic copy and paste skills you already have You ll also gain the confidence to become the go to fixer for Microsoft Windows computers Your Baby Boomer elders will be genuinely impressed as you thwart attackers and neutralize threats long before they reach the digital doorstep Inside you ll find clear tips practical tricks and solid advice delivered in bite sized easy to apply pieces Think of it as a friendly nudge to help keep your digital life secure and your loved ones protected Together we explore how modern attacks work how AI is reshaping the threat landscape the specific risks facing older adults and the best ways to safeguard your devices You ll learn how to spot deepfakes recognize common scams targeting silver surfer parents and understand exactly what to do if you or a loved one becomes a victim This book gives you the knowledge you need to protect your family s assets on a realistic budget While cybersecurity can be a dry topic it s far more pleasant than dealing with authorities after your identity or your savings has been stolen I sincerely hope these pages help you navigate technology with confidence and keep your family secure *Second Chance* Lisa Phillips,2022-01-06 NCIS Special Agent Niall O Caran wants back on the Northwest Counter Terrorism Taskforce Sidelined for prioritizing family over the team he s determined to solve this latest case so he can be who he s supposed to be Former Petty Officer Haley Franks is looking for purpose after the Navy and trying to find her friend She ll get the information she needs even if it means going head to head with the Russians When her world collides with Niall s the resulting explosion reveals a state wide conspiracy involving a dead police officer It s up to Niall and Haley to uncover a research college hiding more secrets than the local police Hundreds of people are in danger if they can t uncover this dark facility and fight back against the threat before it s too late The fight for a future will be the biggest battle of their lives Each NWCTTF book is a stand alone Christian romantic suspense **Is Digital Different?** Michael Moss,Barbara Endicott-Popovsky,2015-09-11 This edited collection brings together global experts to explore the role of information professionals in the transition from an analogue to a digital environment The contributors including David Nicholas Valerie Johnson Tim Gollins and Scott David focus on the opportunities and challenges afforded by this new environment that is transforming the information landscape in ways that were scarcely imaginable a decade ago and is challenging the very existence of the traditional library and archive as more

and more resources become available on line and as computers and supporting networks become more and more powerful By drawing on examples of the impact of other new and emerging technologies on the information sciences in the past the book emphasises that information systems have always been shaped by available technologies that have transformed the creation capture preservation and discovery of content Key topics covered include Search in the digital environment RDF and the semantic web Crowd sourcing and engagement between institutions and individuals Development of information management system Security managing online risk Long term curation and preservation Rights and the Commons Finding archived records in the digital age Is Digital Different illustrates the ways in which the digital environment has the potential to transform scholarship and break down barriers between the academy and the wider community and draws out both the inherent challenges and the opportunities for information professionals globally Readership This book will be of particular to students particularly those on information studies programs and academics researchers and archivists globally

Northwest Counter-Terrorism Taskforce: the complete series Lisa Phillips,2020-02-26 The complete series All five books in one collection Book 1 First Wave Just another Friday night Or is it Homeland Security Agent Dakota Pierce is in the Washington backwoods to sniff out domestic terrorism DEA rookie Josh Weber and his dog show up to uncover a mystery of their own When a young woman s body is discovered everything points to a local militia Book 2 Second Chance The agent left behind Stuck on probation with nothing to do but busywork Niall s case points to a research college hiding more secrets than the local police He meets Haley who is looking for her missing friend The former Navy sailor won t stop until she s figured out what the disappearance has to do with the Russians in Portland When the two collide a bigger plot is revealed One that puts hundreds in danger Book 3 Third Hour Hiding from her enemy Talia takes an assignment at a bank where she meets a dashing Secret Service agent Before anything can happen the NSA analyst is implicated in a cyber crime Mason knows there s more going on but Talia won t tell him what happened to her When the hacker closes in and the Secret Service office is targeted the only way to uncover what s really going on is for them all to trust each other But with their histories that s a whole lot easier said than done Book 4 Fourth Day A dead woman returns The trap is set Allyson can t get caught up in feelings Not when there s work to do The night her phone rings the voice on the other end changes everything Drawn into the latest Northwest Counter Terrorism Taskforce case Allyson has to figure out where her loyalties lie Sal knows things are changing with the team but he isn t sure what s next for him As soon as he clears this one last investigation he ll figure it out Trouble is finding Allyson might be the hardest thing he s ever done Book 5 Final Stand A vendetta The biggest case of her life Victoria Bramlyn has been a spy a State Department Director team leader and friend But there s one role she s never realized The woman in Mark Welvern s life When the capture of a corrupt FBI agent and one of the FBI s Ten Most Wanted is finally within her grasp Victoria has to make one last choice between the people she loves and the score she needs to settle Mark has loved Victoria for years But there just might be too much history between Victoria and Mark for them to make a

relationship work When the truth about everything she s done comes to light his loyalty to her is tested and he is forced to decide between duty and having what he s always wanted Will he give it all up for her Love meets obligation head on in this explosive conclusion to what readers are calling a five star series The Northwest Counter Terrorism Task Force is on the case
