Stoned, Shamed, Depressed Jyotsna Mohan Bhargava, 2020-09-03 In *Stoned Shamed Depressed* journalist Jyotsna Mohan Bhargava investigates the secret lives of India's urban teens and comes up with an eye-opening account of struggles with addiction to substances, social media, and gaming, dealing with intense peer pressure, bullying, and body shaming, and the resultant physical and mental health issues. This book chronicles the confused journey of Indian teens to adulthood along a road that is full of temptation where boundaries are easily blurred and where the lure of easy adventure often in the virtual world can unleash events that have repercussions for years to come. The narrative interweaves accounts of teens, parents, teachers, and child psychologists to reveal a deeply disturbing picture of modern-day school life in urban India. **How to Survive Everything** Ewan Morrison, 2022-11-15 Longlisted for the 2021 McIlvanney Prize for Scottish Crime Book of the Year, Shortlisted for the 2021 Bookmark Book of the Year Prize. One of the most provocative, intelligent, and original novelists working in Britain today, Irvine Welsh, author of *Trainspotting*, makes his American debut with this darkly comic and electrifyingly twisty thriller with echoes of Emily St. John Mandel, Lionel Shriver, and Richard Powers, in which a teenage girl and her brother are abducted by their survivalist father who believes the apocalypse has begun. An absolutely brilliant read. Lucy Mangan, journalist and author of *Are We Having Fun Yet?* Hilarious, foreboding, with all of the brilliance and brutality of life in between. Haley is the hero of our times, bold, bewitching, and superbly drawn. Her voice rang in my ears long after I reluctantly turned the last page. Diane Cook, author of the Booker Prize-nominated novel *The New Wilderness*. My name is Haley Cooper Crowe and I am in lockdown in a remote location. I can't tell you about Children of Divorce. Haley and Ben live with their mother. But their dad believes there's a new, much deadlier pandemic coming and is determined to keep them alive. He wants to take them to his prepper hideaway where they will be safe from other people. NOW. But there's no way their mother will go along with his plan. Saving them requires extreme measures. Kidnapped by their father and confined to his compound far off the grid, Haley and Ben have no contact with the outside world. How can they save their mother? Will they make it out alive? Is the threat real, or is this all just a dark fantasy brought on by their conspiracy-obsessed father's warped imagination? Propulsive and chilling in its realism. *How to Survive Everything* is the story of a world imploding, a teenage girl's record for negotiating the collapse of everything she knows, including her family and sanity. *Understanding Snapchat* Benjamin Baker, 2017-05-29 *Understanding Snapchat*. Grab this GREAT physical book now at a limited-time discounted price. This book covers the topic of exactly how to download and use Snapchat to its full potential and will teach you not only how to use Snapchat but the psychological reasons as to why everyone is so hooked on this specific application. Snapchat is an instant image-messaging multimedia mobile application that was created by Evan Spiegel, Bobby Murphy, and Reggie Brown. It was released to the app store in September 2011, accessible for iOS and Android phones. Here in this book, you will learn how to download the app and use the functions of it in an interesting and helpful step-by-step process. We will cover together all the functions Snapchat has to offer you to become efficient and tech-savvy. As an added bonus chapter, I have included the
