**California Lawyer**, 1994 *First & Foremost* Charlene Akers, 1996 Deft descriptions and enticing tidbits bring each entry to life. Small Press **Microtimes**, 1995 Northern California Jewish Bulletin, 1990 **Detroit Suburban West-Northwest Area Telephone Directories**, 2003 *Waiting For Service* Amas Tenumah, 2021 You hate waiting in line or on the phone for customer service. There have been plenty of books about customer service that all seem to offer secrets to improve customer service. This is not that book. I instead want to focus on why customer service is so broken and give you the secrets to get around it. Customer service is bad by design. Your bad customer service is not random; it is intentional. Customer service is universally terrible; this is not an opinion. You do not have to believe me. I am saying it is raining outside and you can simply look out the window. I spent two decades helping dozens of your favorite brands with customer service. You will laugh, get mad, all over again at some of the conversations I have had with executives around customer service. I name names, expose customer service nightmares from Travel to Cable, Walmart, fast food, and so much more. I also provide you with how to get around bad service and offer radical thinking to reset customer service.

Amas Tenumah *101 Ways to Improve Customer Service* Lorraine L. Uken, 2007 Provides a variety of training and development interventions that can be put to use right now with frontline service employees.
