Hello Marry Gilbert,

I'm reaching out after a conversation I had with Joe Stones, General Manager at Equestrian Fashion, who told me about the new position opening for a Store Manager. With over 6 years of experience in the fashion and retail industry, I believe that I have the skills and knowledge necessary to create a delightful shopping experience for your customers.

I started in the retail industry as a part-time floor clerk, working at the fulfillment department of Fashion Inc, an international ecommerce retailer. This experience taught me the basics of effective back-office operations — fulfillment, inventory management, and logistics. After obtaining my Associate's degree from Utica College, I moved to the front office positions — first as a Junior Sales Associate, then as an Assistant Visual Merchandiser.

At present, I'm employed as an Assistant Store Manager at Demi's Fashion Mall. In the past year, I have increased the top-line sales for sports garments by 18% through a combination of associate coaching and ecommerce merchandising strategy optimization. Staff management is my second main priority. I host regular group performance reviews and coaching sessions, as well as offer 1:1 mentorship to senior associates. Since I've taken the position, staff turnover rates on my team reduced by 35%.

In addition to my extensive retail experience, I am also an avid horseback riding fan myself and have been taking lessons since I was 6. My industry knowledge is complemented by my effective communication and team management skills, which make me confident that I'd be a great addition to your team.

Thank you for taking the time to consider my application. I look forward to hearing from you.
