Crash Course in Readers' Advisory Cynthia Orr, 2014-12-05 One of the key services librarians provide is helping readers find books they'll enjoy. This crash course will furnish you with the basic practical information you need to excel at readers advisory RA for adults and teens. The question can you recommend a good book can be one of the most daunting you face notwithstanding the fact that recommender tools are ubiquitous. Often uncertainty arises because although librarians are called on to perform such services daily readers advisory is a skill set in which most have no formal training. This guide will remedy that. It is built around understanding books, reading and readers and will quickly show you how to identify reading preferences and advise patrons effectively. You'll learn about multiple RA approaches such as genre appeal, features and reading interests and about essential tools that can help with RA. Plus you'll discover tips to help you keep up with this ever-changing field. There is no other professional book that covers the full spectrum of skills needed to perform the RA service that is in such great demand in libraries of all kinds. Helping readers find what they want is a sure way to serve patrons and build your library's brand. You will come away from this easy to understand crash course with the solid background you need to do both.

Young Adult Resources Today Don Latham, Melissa Gross, 2014-05-21 Young Adult Resources Today Connecting Teens with Books Music Games Movies and More is the first comprehensive young adult library services textbook specifically written for today's multidimensional information landscape. The authors integrate a research focused information behavior approach with a literature focused resources approach and bring together in one volume key issues related to research theory and practice in the provision of information services to young adults. Currently no single book addresses both YA information behaviors and information resources in any detail. Instead books tend to focus on one and give only cursory attention to the other. Key features of this revolutionary book include its success in integrating theory, research and practice; integrating implications for practice throughout the book; integrating knowledge of resources with professional practice as informed by research; integrating both print and electronic formats throughout within the resource chapters including websites and social media. Latham and Gross accomplish all this while paying particular attention to the socially constructed nature of young adulthood, diversity, YA development and multiple literacies. Their coverage of information landscapes covers literature with detailed coverage of both genres and subgenres, movies, magazines, web sites, social media and gaming. The final chapter covers navigating information landscapes focusing on real and virtual YA spaces, readers advisory programming and collaboration. Special attention is paid to program planning and evaluation.

The Mask Falling Samantha Shannon, 2021-01-26 Coming in May 2024. A stunning repackage of the fourth novel in the New York Times bestselling Bone Season series. Paige Mahoney has eluded death again. Snatched from the jaws of captivity and consigned to a safe house in the Scion Citadel of Paris, she finds herself caught between those factions that seek Scion's downfall and those who would kill to protect the Rephaim's puppet empire. The mysterious Domino Program has plans for Paige, but she has

ambitions of her own in this new citadel With Arcturus Mesarthim her former enemy at her side she embarks on an adventure that will lead her from the catacombs of Paris to the glittering hallways of Versailles Her risks promise high reward the Parisian underworld could yield the means to escalate her rebellion to outright war As Scion widens its bounds and the free world trembles in its shadow Paige must fight her own memories after her ordeal at the hands of Scion Meanwhile she strives to understand her bond with Arcturus which grows stronger by the day But there are those who know the revolution began with them and could end with them *The Mask Falling* is a gripping fantastical new addition to this intoxicating urban fantasy series NPR.org that will leave readers begging for more

The History of Science Fiction and Its Toy Figurines Luigi Toiati, 2023-12-21 This eye opening book deserves a spot on the bookshelves of anyone who not only enjoys collecting but also has a great interest in all facets of the history of our hobby Toy Soldier Collector Science fiction as the name suggests is the combination of science and fantasy In addition to a literary form it also encompasses film TV comics toys and our beloved toy astronauts or other figures such as aliens monsters and other playable genres The term science fiction was coined by publisher Hugo Gernsback around the first decades of the last century to refer to the predominantly space adventures covered in his magazines Space invaded radio cinema TV and consequently for a long time toy figurines were predominantly space related later evolving into other themes This lavishly illustrated book covers both the history of literary science fiction following in the footsteps of contemporary official criticism and toy figurines inspired by science fiction You will also find several other themes such as the link between science fiction figures and cinema radio TV comics and more Luigi Toiati offers to both guide the reader on an often nostalgic walk through science fiction in all its various forms and to describe the figurines and brands associated with it

Hazelwood,2023-11-07 In this clever and swoonworthy new novel from the New York Times and Sunday Times bestselling author of *The Love Hypothesis* life's moving pieces bring rival chess players together in a match for the heart. Mallory Greenleaf is done with chess. Every move counts nowadays after the sport led to the destruction of her family four years earlier. Mallory's focus is on her mom, her sisters, and the dead-end job that keeps the lights on. That is until she begrudgingly agrees to play in one last charity tournament and inadvertently wipes the board with notorious Kingkiller Nolan Sawyer, current world champion and reigning Bad Boy of chess. Nolan's loss to an unknown rookie shocks everyone. What's even more confusing? His desire to cross pawns again. What kind of gambit is Nolan playing? The smart move would be to walk away. Resign. Game over. But Mallory's victory opens the door to sorely needed cash prizes, and despite everything she can't help feeling drawn to the enigmatic strategist. As she rockets up the ranks, Mallory struggles to keep her family safely separated from the game that wrecked it in the first place. And as her love for the sport she so desperately wanted to hate begins to rekindle, Mallory quickly realizes that the games aren't only on the board; the spotlight is brighter than she imagined, and the competition can be fiercely attractive, intelligent, and infuriating. This novel is suitable for both young adult and adult audiences.

[When the Tides Held the Moon](#) Venessa Vida Kelley,2025-04-29 The Shape of Water meets The Greatest Showman in this beautifully illustrated queer historical cozy fantasy as a young Puerto Rican immigrant goes through a journey of love and self-discovery after capturing a merman for a Coney Island sideshow act in turn of the 20th century New York. Venessa gives life to the most unexpected things. I have a strong strong feeling that this is the start of something special.

TJ KLUNE New York Times Bestselling author of *The House in the Cerulean Sea*. Benigno Benny Caldera knows an orphaned Boricua blacksmith in 1910s New York City can't call himself an artist. But the ironwork tank he creates for famed Coney Island playground Luna Park astounds everyone, especially the eccentric side show proprietor who commissioned it. Benny's work earns him an invitation to join the show's eclectic crew of performers, his first welcome in the city and share in their astonishing secret: the tank Benny built is a cage for their newest exhibit, a living, breathing, in-the-flesh merman stolen from the banks of the East River under a gleaming full moon. The merman is more than a mythic marvel; though Benny comes to know Ró as a clever philosopher, an observant traveler, and a kindred spirit, more beautiful and compassionate than any human he's ever met. Despite their different worlds, what begins as a friendship of necessity deepens to love, leading Benny's heart into uncharted waters where he can no longer ignore the agonizing truth of Ró's captivity and his own. A cage is no place for a merman to survive. Though releasing Ró means betraying his new family, bankrupting their home, and losing his soulmate forever, Benny must look within for the courage to do what's right and find a love strong enough to free them both.

When the Tides Held the Moon is a beautifully illustrated novel with artwork throughout by Venessa Vida Kelley, known for her stunning romance and fantasy art. This novel includes two different full-color endpapers for front and back, fully designed chapter headers, and 27 pieces of detailed illustrations throughout using beautiful two-color aqua, blue, and black inks. **The**

Celebrants: A Read with Jenna Pick Steven Rowley, 2023-05-30 New York Times Bestseller A TODAY Show ReadWithJenna Book Club Pick A Big Chill for our times celebrating decades long friendships and promises especially to ourselves by the bestselling and beloved author of The Guncle It's been a minute or five years since Jordan Vargas last saw his college friends and twenty eight years since their graduation from Berkeley when their adult lives officially began Now Jordan Jordy Naomi Craig and Marielle find themselves at the brink of a new decade with all the responsibilities of adulthood yet no closer to having their lives figured out Though not for a lack of trying Over the years they've reunited in Big Sur to honor a decades old pact to throw each other living funerals celebrations to remind themselves that life is worth living that their lives mean something to one another if not to themselves But this reunion is different They're not gathered as they were to bolster Marielle as her marriage crumbled to lift Naomi after her parents died or to intervene when Craig pleaded guilty to art fraud This time Jordan is sitting on a secret that will upend their pact A deeply honest tribute to the growing pains of selfhood and the people who keep us going coupled with Steven Rowley's signature humor and heart The Celebrants is a moving tale about the false invincibility of youth and the beautiful ways in which friendship helps us celebrate our lives even amid the deepest challenges of living

Only If You're Lucky Stacy Willingham, 2024-01-16 A sharp and twisty exploration of female friendship from the New York Times bestselling author of A Flicker in the Dark and All the Dangerous Things Lucy Sharpe is larger than life Magnetic addictive Bold and dangerous Especially for Margot who meets Lucy at the end of their freshman year at a liberal arts college in South Carolina Margot is the shy one the careful one always the sidekick and never the center of attention But when Lucy singles her out at the end of the year a year Margot spent studying and playing it safe and asks her to room together something in Margot can't say no something daring or starved or maybe even envious And so Margot finds herself living in an off campus house with three other girls Lucy the ringleader Sloane the sarcastic one and Nicole the nice one the three of them opposites but also deeply intertwined It's a year that finds Margot finally coming out of the shell she's been in since the end of high school when her best friend Eliza died three weeks after graduation Margot and Lucy have become the closest of friends but by the middle of their sophomore year one of the fraternity boys from the house next door has been brutally murdered and Lucy Sharpe is missing without a trace From the author of A Flicker in the Dark and All the Dangerous Things comes a tantalizing thriller about the nature of friendship and belonging about loyalty envy and betrayal another gripping novel from an author quickly becoming the gold standard in psychological suspense

Nolyn Michael J. Sullivan, 2023-12-12 A New York Times Bestseller Amazon Editor's Pick After more than five hundred years of exile the heir to the empyre is wary about his sudden reassignment to active duty on the Goblin War's front lines His assignment to rescue an outpost leads to a dead end canyon deep inside enemy territory and his suspicion turns to dread when he discovers the stronghold does not exist But whoever went to the trouble of planning his death to look like a casualty of war did not know he would be assigned to the Seventh Sikaria Auxiliary Squadron In the depths of an unforgiving jungle a legend
